Glitter and Glue Kelly Corrigan 2014-02-13 'I loved this book, I was moved by this book and now I will

share this book with my own mother.' Elizabeth Gilbert, author of *Eat, Pray, Love*. From the New York Times best-selling author of *The Middle Place* comes a new memoir that examines the bond between mothers and daughters. Kelly Corrigan's mother summarised the the division of labour in her family as: 'Your father's the glitter, but I'm the glue.' This meant nothing to Kelly, who left her childhood sure that her mum would be nothing more than background for the rest of Kelly's life. After college, she took off see things and Become Interesting. In a matter of months her savings had dwindled and she needed a job. That's how she met John Tanner, a newly widowed Australian father of two looking for a live-in nanny. There, in that small, motherless house her mother's voice was suddenly everywhere. Each day she spent with the Tanner kids was a day she spent reconsidering her relationship with her mother, turning it over in her hands like a shell, trying to hear whatever messages might be trapped in its shadowy spiral. This is a book about who you admire and why, and how that changes over time.

Any Bitter Thing Monica Wood 2017-03-23 ANY BITTER THING is a novel about how much we can and should forgive, by Monica Wood, the acclaimed author of *THE ONE-IN-A-MILLION BOY*. The perfect read for fans of Gail Honeyman's *ELEANOR*

OLIPHANT IS COMPLETELY FINE and Joanna Cannon's THREE THINGS ABOUT ELSIE. 'If you liked THE SECRET LIFE OF BEES, try ANY BITTER THING' Glamour After surviving a near-fatal accident, thirty-year-old Lizzy Mitchell faces a long road to recovery. She remembers little about the days she spent in and out of consciousness, save for one thing: she saw her beloved deceased uncle, Father Mike, the man who raised her until she was nine, when she was abruptly sent away. Though her troubled marriage and broken body need tending, Lizzy knows she must uncover the details of her accident - and delve into the events of twenty years ago, when whispers and accusations forced a good man to give up the only family he had. What readers are saying about ANY BITTER THING: 'Another great story with wonderful characters' 'This writer, with her exquisite prose, weaves a gripping and grace-filled story of redemption. I will go back to this amazing book again and again. It shines' 'A beautiful story. The characters take on a life of their own. Pure human emotion, well written, very touching'

Little Heathens Mildred Armstrong Kalish 2007-05-29 I tell of a time, a place, and a way of life long gone. For many years I have had the urge to describe that treasure trove, lest it vanish forever.

So, partly in response to the basic human instinct to share feelings and experiences, and partly for the sheer joy and excitement of it all, I report on my early life. It was quite a romp. So begins Mildred Kalish's story of growing up on her grandparents' Iowa farm during the depths of the Great Depression. With her father banished from the household for mysterious transgressions, five-year-old Mildred and her family could easily have been overwhelmed by the challenge of simply trying to survive. This, however, is not a tale of suffering. Kalish counts herself among the lucky of that era. She had caring grandparents who possessed—and valiantly tried to impose—all the pioneer virtues of their forebears, teachers who inspired and befriended her, and a barnyard full of animals ready to be tamed and loved. She and her siblings and their cousins from the farm across the way played as hard as they worked, running barefoot through the fields, as free and wild as they dared. Filled with recipes and how-tos for everything from catching and skinning a rabbit to preparing homemade skin and hair beautifiers, apple cream pie, and the world's best head cheese (start by scrubbing the head of the pig until it is pink and clean), *Little Heathens* portrays a world of hardship and hard work tempered by simple rewards. There was the

unsurpassed flavor of tender new dandelion greens harvested as soon as the snow melted; the taste of crystal clear marble-sized balls of honey robbed from a bumblebee nest; the sweet smell from the body of a lamb sleeping on sun-warmed grass; and the magical quality of oat shocking under the light of a full harvest moon. Little Heathens offers a loving but realistic portrait of a “hearty-handshake Methodist” family that gave its members a remarkable legacy of kinship, kindness, and remembered pleasures. Recounted in a luminous narrative filled with tenderness and humor, Kalish’s memoir of her childhood shows how the right stuff can make even the bleakest of times seem like “quite a romp.”

Notes from a Small Island Bill Bryson 2015 In 1995, before leaving his much-loved home in North Yorkshire to move back to the States for a few years with his family, Bill Bryson insisted on taking one last trip around Britain, a sort of valedictory tour of the green and kindly island that had so long been his home. His aim was to take stock of the nation's public face and private parts (as it were), and to analyse what precisely it was he loved so much about a country that had produced Marmite; a military hero whose dying wish was to be kissed by a fellow named Hardy; place names like Farleigh

Wallop, Titsey and Shellow Bowells; people who said 'Mustn't grumble', and 'Ooh lovely' at the sight of a cup of tea and a plate of biscuits; and Gardeners' Question Time. Notes from a Small Island was a huge number-one bestseller when it was first published, and has become the nation's most loved book about Britain, going on to sell over two million copies.

A Southern Tragedy, in *Crimson and Yellow*
Lawrence Naumoff 2005

A Girl Named Zippy Haven Kimmel 2001 In this memoir, the author "takes readers back to a time when small-town America was caught in the amber of the innocent post-war period--people helped their neighbors, went to church on Sunday, and kept barnyard animals in their backyards."--Jacket.

A Girl Named Zippy Haven Kimmel 2002-09-03 The New York Times bestselling memoir about growing up in small-town Indiana, from the author of *The Solace of Leaving Early*. When Haven Kimmel was born in 1965, Mooreland, Indiana, was a sleepy little hamlet of three hundred people. Nicknamed "Zippy" for the way she would bolt around the house, this small girl was possessed of big eyes and even bigger ears. In this witty and lovingly told memoir, Kimmel takes readers back to a time when small-town America was caught in the amber of the

innocent postwar period—people helped their neighbors, went to church on Sunday, and kept barnyard animals in their backyards. Laced with fine storytelling, sharp wit, dead-on observations, and moments of sheer joy, Haven Kimmel's straight-shooting portrait of her childhood gives us a heroine who is wonderfully sweet and sly as she navigates the quirky adult world that surrounds Zippy.

A Tender Struggle Krista Bremer 2014-04-22 A

Western woman finds love and struggle with her Libyan husband in a memoir of marriage across a cultural divide: “A sweet and rewarding journey of a book” (Kirkus Reviews). Fifteen years ago, Krista Bremer, a California-bred feminist, surfer, and aspiring journalist, met and fell in love with a man from a very different world. Ismail Suayah was sincere, passionate, kind, and one of eight siblings born in an impoverished fishing village in Libya. Raised a Muslim, Ismail’s faith informed his life. When Krista and Ismail made the decision to become a family, she embarked on a journey she never could have imagined: a quest for spiritual and intellectual growth that would open her mind and, more important, her heart. “A bold piece of writing (and thinking) by an incredibly brave woman.” —Elizabeth Gilbert, author of *Eat Pray Love* “Utterly absorbing . . . A beautiful book.” —Cheryl Strayed,

New York Times–bestselling author of Wild
Kaline Klattermaster's Tree House Haven Kimmel
2010-04-06 Kaline Klattermaster LOVES his mom.
ADORES his mom. But his mom can be, well, a bit
forgetful sometimes. A bit lax. A bit...CRAZY. For
instance, she's a bit crazy when she leaves him in
the tub for THREE HOURS. Or gives him a chicken
leg for breakfast...or forgets that he needs to go to
school. AND he's not completely sure his mother
understands how time works. She's been even a bit
MORE CRAZY since his dad left. So it's a very good
thing that the folks in Kaline's tree house are not so
crazy. They understand him. They don't mind that
he sometimes HAS to play his pretend bugle, and,
of course, they are FULL of good advice on how to
handle bullies. His mom hints that the tree house is
imaginary. Kaline is UNCONVINCED. The New
York Times bestselling author of A Girl Named
Zippy is delighted to introduce Kaline Klattermaster,
a little boy who understands the importance of a few
good friends -- make-believe OR otherwise.

Something Rising Haven Kimmel 2010-05-11 In her
first two books, Haven Kimmel claimed her spot on
the literary scene- surprising readers with her
memoir, A Girl Named Zippy, and winning an
outpouring of critical acclaim for her first novel, The
Solace of Leaving Early. Now, in her second novel,

she brings to the page a heroine's tireless quest for truth, love, justice, and the perfect game of 9-ball. Cassie Claiborne's world is riddled with problems beyond her control: her hard-living, pool-shooting father has another wife; her stoic, long-suffering mother is incapable of moving herself mentally away from the kitchen window; her sister Belle is a tempest of fragility and brilliance; her closest friends, Puck and Emmy, are adolescent harbingers of their own doomed futures. Frustrated by her inability to care deeply enough for so many troubled souls, Cassie finds in the local pool hall an oasis of green felt where she can master objects and restrain her emotions. As Cassie grows from a quietly complex girl into a headstrong young woman, she takes on the thankless role of family provider by working odd jobs and hustling pool. All the while, she keeps her eye on the ultimate prize: wringing suitable justice out of past wrongs and freeing herself from the inertia that is her life. In this ultimately uplifting story, Haven Kimmel reaches deep into the hamstrung souls of her fictional corner of Indiana. Remarkable for its tough tenderness, *Something Rising* (Light and Swift) is an astonishing work of pure heartbreak.

She Got Up Off the Couch Haven Kimmel 2007-02-13 A continuation of the memoir "A Girl Named Zippy" follows the story of her mother, Delonda, who reinvents her life by returning to college and losing fifty pounds, while Zippy continues to work out the dynamic of their nuclear family.

The Only Girl in the Car Kathy Dobie 2010-09-29 The Only Girl in the Car Bookworm and dreamer, Kathy was a young girl with a tender heart, an adventurer's spirit, and a child's terrible confusion about her proper place in the world. As the oldest daughter in a family of six children, she seemed trapped in her role as Big Sister and Mommy's Helper. Then, one day, teetering on the brink of adolescence, hormones surging, she heard someone call her "cheesecake," and suddenly saw her path. "Cheesecake, jailbait, sex kitten"--the very words seemed to be "doors opening" to a splendid new self. But from the moment she decides to lose her virginity and reels in her prey, a "full-grown man," fourteen-year-old Kathy is headed for trouble. One cold, raw March night some months later, parked in a car with four boys on the outskirts of her small suburban town, she finds it. Though she could never have foreseen the outcome of that night, the "boys in the car could just as well have been

Gypsies foretelling my future,” she writes. Girls who break the rules in small towns like the one she lived in are expected to pay a very high price for their transgressions--and she did. And yet...this young girl, as scrappy a protagonist as any in our literature, manages to transform her fate. The story of how she came to be in that car, and how she stepped out of it forever altered, to be sure, yet not forever damaged, is the theme of this extraordinary coming-of-age tale.

Inside Passage Keema Waterfield 2020-09-15

Keema Waterfield grew up chasing music with her twenty-year-old mother on the Alaskan folk festival circuit, two small siblings in tow. Summers they traveled by ferry and car, sharing the family tent with a guitar, cello, and fiddle. Adrift with a revolving cast of musicians, drunks, stepdads, and one man with a gun, Keema yearned for a place to call home. Preferably with heat and flushing toilets. Trying to understand the absence of her pot-dealing father, she is drawn deeper into her mother's past instead.

Iodine Haven Kimmel 2008-08-05 Haven Kimmel, the #1 New York Times bestselling author, has long attracted legions of fans for her insightful, humane portraits of outsiders struggling to find their place in the world. In Iodine, her fourth novel, Kimmel once again draws on her exceptional powers of

observation and empathy, but this time she makes an exhilarating foray into psychological gothic territory with the electrifying story of a young woman emerging from layers of delusion, fantasy, and lies. With her astounding intelligence, fierce independence, and otherworldly lavender eyes, college senior Trace Pennington makes an indelible impression even as questions about her past and her true identity hover over every page. From her earliest years, Trace turned away from her abusive mother toward her loving father. Within the twisty logic of abuse, her desperate love for him took on a romantic cast that persists to this day, though she's had no contact with her family since she ran away from home years ago. Alone but for her beloved dog, she's eked out an impoverished but functional existence, living in an abandoned house, putting herself through college, and astonishing her teachers with her genius and erudition. What they don't know is that she leads a double life: thanks to forged documents, at school she is Lanthe Covington, a young woman with no past. Trace's singular life is upended when she and her literature professor fall in love. She tells him nothing about her life, and as it becomes apparent that he has his own dark secrets, she's forced to face herself and her past. After recovering a horrific, long-

suppressed memory, Trace finally copes with the fallout from her brutal, bizarre childhood. Kimmel parcels out Trace's strange, dark story in mesmerizing bits that obscure as much as they reveal, and keep the reader guessing until the end. With Kimmel's radiant imagination, lyrical prose, and vision of a bleak and fertile Midwest on full display, Iodine is a frightening and marvelous tale of life at the outer extremes of human experience. This unique portrait of the psychological effects of trauma is tantalizing, shocking, and ultimately hopeful.

Running With Scissors Augusten Burroughs 2004-02-01 The #1 New York Times Bestseller An Entertainment Weekly Top Ten Book of the Year Now a Major Motion Picture This is the true story of a boy who wanted to grow up with the Brady Bunch, but ended up living with the Addams Family.

Augusten Burroughs's mother gave him away to be raised by her psychiatrist, a dead ringer for Santa Claus and a certifiable lunatic into the bargain. The doctor's bizarre family, a few patients and a sinister man living in the garden shed completed the tableau. In the perfect squalor of their dilapidated Victorian house, there were no rules and there was no school. The Christmas tree stayed up until summer and Valium was chomped down like

sweets. And when things got a bit slow, there was always the ancient electroshock therapy machine under the stairs... 'This is the Brady Bunch on Viagra... it is impossible not to laugh at all the jokes; to admire the sardonic, fetid tone; to wonder, slack-jawed and agog, at the sheer looniness of the vista he conjures up' -- Rachel Cooke, Observer

Miss American Pie Margaret Sartor 2007-05-29

Gives an account of the author's life from age twelve to eighteen, crafted from diaries, notebooks, and letters, and reflects all the joys and sorrows of growing up in the 1970s.

Last Day Blues Julie Danneberg 2013-01-07 Fans of First Day Jitters will love spending the last day of school in Mrs. Hartwell classroom. What do teachers do for summer vacation? Mrs. Hartwell's students worry that their teacher will miss them while they are gone for the summer. The class comes up with a way to make sure Mrs. Hartwell won't be too sad. But Mrs. Hartwell and the other teachers have some plans of their own. Once again Julie Danneberg and Judy Love bring to life the

crazy antics of Mrs. Hartwell and her class and show that teachers and students are more alike than we sometimes think.

Too Long Ago: David Pietrusza 2020-11-11 A sardonic expedition into a small-town ethnic childhood and post-World War II America—and how to survive Rust Belt hard times. At last . . . a memoir finally worthy of comparison to the uproariously funny fiction of the great Jean Shepherd, author and narrator of the beloved *A Christmas Story*. Only . . . it's all true. Sometimes . . . sadly true. Award-winning presidential historian and baseball scholar David Pietrusza's witty and wise tale of growing up in the 1950s and 60s, *Too Long Ago* is no *Leave It to Beaver* or *Father Knows Best* episode. It's a unique glimpse into an unjustly ignored and forgotten immigrant experience—Eastern European and devoutly pre-Vatican II Catholic. A tale of a tight-knit Polish community, transplanted from tiny, impoverished Hapsburg-ruled villages to a hardscrabble, hardworking, hard-drinking Upstate New York mill town. It's how the first rust corroded the Rust Belt, sidetracking dreams but not hope. It's a lively saga of secrets and hard times, of insanity, of manslaughter and murder, of war and postwar, Depression and Recession, racetracks and religions, books and bar rooms, unforgettable

personalities and vastly unpronounceable names, of characters and character, of homelessness, of immigration—first to America and then from Rust Belt to Sun Belt—of vices and virtues, and how a sickly, bookwormish boy who loved history and the presidents finally discovered a national pastime and made it his own. Meet Too Long Ago’s mesmerizing cast of characters: Depression-ravaged Felix and Agnes Marek, Corporal Danny Pietrusza and his wartime adventures, Uncle Tony Lenczewski and his raided saloon, brutal serial-killer Lemuel Smith, the high-kicking weather-prophet “Cousin George” Casabonne, carpet heiress and OSS operative Gertie Sanford, caught behind-enemy-lines Mary Zaklukiewicz, and the homeless (but not hopeless) Uncle Leo Zack. Alternately sharp-edged and warm-hearted—sometimes shocking and always surprising—Too Long Ago is a poignant tour-de-force, a no-stopping-for-breath, coming-of-age narrative, akin to cross-breeding Jean Shepherd’s boisterous *A Christmas Story* with Pulitzer Prize-winner Richard Russo’s gritty semi-autobiographical novel *Mohawk* (set mere miles from Too Long Ago) and presenting the genre-bending result in the mesmerizing form of a decidedly non-WASPY rendition of an epic Spalding Gray monolog. *Something Rising* (light and Swift) Haven Kimmel

2004 When her rakish, gambling father abandons the family, pool hustler Cassie Claiborne must abandon her own dreams to take care of her distant mother and fragile older sister, until she comes up with a way to redeem her life.

The Used World Haven Kimmel 2008-06-03

Spending their days at a sprawling Indiana antique mart surrounded by dusty furniture and cast-off clothing, Hazel, Claudia, and Rebekah find their circumstances revitalized by three romances and the unexpected arrival of two babies. By the author of *A Girl Named Zippy*. Reprint. 40,000 first printing.

The Unforgiving Minute Craig M. Mullaney 2009-02-

19 "The Unforgiving Minute is one of the most compelling memoirs yet to emerge from America's 9/11 era. Craig Mullaney has given us an unusually honest, funny, accessible, and vivid account of a soldier's coming of age. This is more than a soldier's story; it is a work of literature." —Steve Coll, author of the Pulitzer Prize-winning *Ghost Wars* and *The Bin Ladens* "One of the most thoughtful and honest accounts ever written by a young Army officer confronting all the tests of life." —Bob Woodward

In this surprise bestseller, West Point grad, Rhodes scholar, Airborne Ranger, and U. S. Army Captain Craig Mullaney recounts his unparalleled education and the hard lessons that

only war can teach. While stationed in Afghanistan, a deadly firefight with al-Qaeda leads to the loss of one of his soldiers. Years later, after that excruciating experience, he returns to the United States to teach future officers at the Naval Academy. Written with unflinching honesty, this is an unforgettable portrait of a young soldier grappling with the weight of war while coming to terms with what it means to be a man.

Why Peacocks? Sean Flynn 2021-05-11 Until Flynn's neighbor in North Carolina offered him one, he had never considered whether he wanted a peacock. His family became the owners of not one but three charming yet fickle birds: Carl, Ethel, and Mr. Pickle. Here he chronicles their first year as peacock owners, from struggling to build a pen to assisting the local bird doctor in surgery to triumphantly watching a peahen lay her first egg. He also examines the history of peacocks, from their appearance in the Garden of Eden. And Flynn travels across the globe to learn more about the birds firsthand. His book offers surprising lessons about love, grief, fatherhood, and family. -- adapted from jacket.

Where the Heart Is Billie Letts 2001-04-15 Talk about unlucky sevens. An hour ago, seventeen-year-old, seven months pregnant Novalee Nation was

heading for California with her boyfriend. Now she finds herself stranded at a Wal-Mart in Sequoyah, Oklahoma, with just \$7.77 in change. But Novalee is about to discover hidden treasures in this small Southwest town--a group of down-to-earth, deeply caring people willing to help a homeless, jobless girl living secretly in a Wal-Mart. From Bible-thumping blue-haired Sister Thelma Husband to eccentric librarian Forney Hull who loves Novalee more than she loves herself, they are about to take her--and you, too--on a moving, funny, and unforgettable journey to . . . Where the Heart Is.

America's Boy Wade Rouse 2006 A journalist remembers his childhood struggles to gain acceptance from the jeans-wearing set, his envy of his admired older brother, his parent's atypical personalities, and the Fourth of July accident that ended his brother's life. 40,000 first printing.

Because You're Mine Colleen Coble 2017-01-10 Amid the beauty of Charleston, not all is as it seems. When her husband Liam is killed by a car bomb while their Celtic band is on tour in Charleston, singer and Irish beauty Alanna doesn't quite know where to turn. Her father-in-law is threatening to take custody of the baby she carries, but Alanna knows she can't lose the only piece of Liam she has left. Alanna's manager offers her a

marriage of convenience to obtain U.S. citizenship and allow her to escape her father-in-law's control. It seems like the perfect solution until she arrives at the family home of her new husband—a decaying mansion with more questions than answers.

Strange things begin happening that threaten Alanna's life and the life of her child. Are they merely coincidences? Or is something more sinister at work? A mysterious painting, a haunting melody, and a love stronger than death leave Alanna questioning where darkness ends and light begins.

Split Suzanne Finnamore 2008-04-17 ?Not only funny, it's also fully triumphant...a heartbreaking pleasure to read.?(Elle) Suzanne Finnamore didn't see it coming. Well, she saw some things?for example, a cocktail napkin on which her husband had scribbled a Cole Porter love song and an indecipherable name?but she refused to acknowledge it. She was busy tending to their son and creating the perfect home. Until the night it all imploded. ?I deserve happiness,? he said, which apparently translated into ousting her from his life. At once funny, sad, and unflinchingly fierce, this memoir will resonate with anyone who has endured the end of a relationship?and come out on the other side changed.

Iodine Haven Kimmel 2008 Living a highly

functional if impoverished existence after running away from her abusive home, unconventional college senior Tracey Sue is forced to face her painful past when she falls in love with a much-older man, prompting her to re-experience a traumatic suppressed memory that makes her realize that much of her present life is a carefully constructed illusion. 40,000 first printing.

Slow Motion Dani Shapiro 2012-09-05 From one of the most gifted writers of her generation comes the harrowing and exquisitely written true story of how a family tragedy saved her life. Dani Shapiro was a young girl from a deeply religious home who became the girlfriend of a famous and flamboyant married attorney—her best friend's stepfather. The moment Lenny Klein entered her life, everything changed: she dropped out of college, began to drink heavily, and became estranged from her family and friends. But then the phone call came. There had been an accident on a snowy road near her family's home in New Jersey, and both her parents lay hospitalized in critical condition. This haunting memoir traces her journey back into the world she had left behind. At a time when she was barely able to take care of herself, she was faced with the terrifying task of taking care of two people who needed her desperately. Dani Shapiro charts a

riveting emotional course as she retraces her isolated, overprotected Orthodox Jewish childhood in an anti-Semitic suburb, and draws the connections between that childhood and her inevitable rebellion and self-destructiveness. She tells of a life nearly ruined by the gift of beauty, and then saved by the worst thing imaginable. This is a beautiful and unforgettable memoir of a life utterly transformed by tragedy.

With an empathetic tone and hint of we've-been-there-too humor, *Food to Grow On* is packed with hard-earned parenting wisdom and the very latest research in pediatric nutrition, so you will feel supported, understood, and ready to help your child thrive. Included inside are answers to pressing questions like: • How often should I breastfeed or bottle-feed? • Should I spoon-feed or try baby-led weaning? • What do I need to know about raising a vegan child? • My toddler is a picky eater, what should I do? • How can I make school lunches my child will eat? Sarah and Cara's advice covers what to feed your child, but also dives deeper into how to feed your child. With this broad approach, you'll learn eating well is much more than just the food you serve. It's about cultivating positive experiences around food at every stage of your child's development, whether they're about to start solids or about to start school.

The Prize Winner of Defiance, Ohio Terry Ryan
2005-09-02 The Prize Winner of Defiance, Ohio introduces Evelyn Ryan, an enterprising woman who kept poverty at bay with wit, poetry, and perfect prose during the "contest era" of the 1950s and 1960s. Stepping back into a time when fledgling advertising agencies were active partners with

consumers, and everyday people saw possibility in every coupon, Terry Ryan tells how her mother kept the family afloat by writing jingles and contest entries. Mom's winning ways defied the Church, her alcoholic husband, and antiquated views of housewives. To her, flouting convention was a small price to pay when it came to securing a happy home for her six sons and four daughters. Evelyn, who would surely be a Madison Avenue executive if she were working today, composed her jingles not in the boardroom, but at the ironing board. By entering contests wherever she found them -- TV, radio, newspapers, direct-mail ads -- Evelyn Ryan was able to win every appliance her family ever owned, not to mention cars, television sets, bicycles, watches, a jukebox, and even trips to New York, Dallas, and Switzerland. But it wasn't just the winning that was miraculous; it was the timing. If a toaster died, one was sure to arrive in the mail from a forgotten contest. Days after the bank called in the second mortgage on the house, a call came from the Dr Pepper company: Evelyn was the grand-prize winner in its national contest -- and had won enough to pay the bank. Graced with a rare appreciation for life's inherent hilarity, Evelyn turned every financial challenge into an opportunity for fun and profit. From her frenetic supermarket shopping

spree -- worth \$3,000 today -- to her clever entries worthy of Erma Bombeck, Dorothy Parker, and Ogden Nash, the story of this irrepressible woman whose talents reached far beyond her formidable verbal skills is told in *The Prize Winner of Defiance, Ohio* with an infectious joy that shows how a winning spirit will triumph over the poverty of circumstance.

Icy Sparks Gwyn Hyman Rubio 2001-03-08 A New York Times Notable Book and the March 2001 selection of Oprah's Book Club® ! *Icy Sparks* is the sad, funny and transcendent tale of a young girl growing up in the mountains of Eastern Kentucky during the 1950's. Gwyn Hyman Rubio's beautifully written first novel revolves around *Icy Sparks*, an unforgettable heroine in the tradition of Scout in *To Kill a Mockingbird* or Will Tread in *Cold Sassy Tree*. At the age of ten, *Icy*, a bright, curious child orphaned as a baby but raised by adoring grandparents, begins to have strange experiences. Try as she might, her "secrets"—verbal croaks, groans, and physical spasms—keep afflicting her. As an adult, she will find out she has Tourette's Syndrome, a rare neurological disorder, but for years her behavior is the source of mystery, confusion, and deep humiliation. Narrated by a grown up *Icy*, the book chronicles a difficult, but

ultimately hilarious and heartwarming journey, from her first spasms to her self-acceptance as a young woman. Curious about life beyond the hills, talented, and energetic, Icy learns to cut through all barriers—physical, mental, and spiritual—in order to find community and acceptance. Along her journey, Icy faces the jeers of her classmates as well as the malevolence of her often-ignorant teachers—including Mrs. Stilton, one of the most evil fourth grade teachers ever created by a writer. Called willful by her teachers and "Frog Child" by her schoolmates, she is exiled from the schoolroom and sent to a children's asylum where it is hoped that the roots of her mysterious behavior can be discovered. Here Icy learns about difference—her own and those who are even more scarred than she. Yet, it isn't until Icy returns home that she really begins to flower, especially through her friendship with the eccentric and obese Miss Emily, who knows first-hand how it feels to be an outcast in this tightly knit Appalachian community. Under Miss Emily's tutelage, Icy learns about life's struggles and rewards, survives her first comical and heartbreaking misadventure with romance, discovers the healing power of her voice when she sings, and ultimately—takes her first steps back into the world. Gwyn Hyman Rubio's *Icy Sparks* is a

fresh, original, and completely redeeming novel about learning to overcome others' ignorance and celebrate the differences that make each of us unique.

Gossip from the Forest Sara Maitland 2012-11-01

Fairytales are one of our earliest and most vital cultural forms, and forests one of our most ancient landscapes. Both evoke a similar sensation in us - we find them beautiful and magical, but also spooky, sometimes horrifying. In this fascinating book, Maitland argues that the two forms are intimately connected: the mysterious secrets and silences, gifts and perils of the forests were both the background and the source of the fairytales made famous by the Grimms and Hans Christian Andersen. Yet both forests and fairy stories are at risk and their loss deprives us of our cultural lifeblood. Maitland visits forests through the seasons, from the exquisite green of a beechwood in spring, to the muffled stillness of a snowy pine wood in winter. She camps with her son Adam, whose beautiful photographs are included in the book; she takes a barefoot walk through Epping Forest with Robert Macfarlane; she walks with a mushroom expert through an oak wood, and with a miner through the Forest of Dean. Maitland ends each chapter with a unique, imaginative re-telling of

a fairytale. Written with Maitland's wonderful clarity and conversational grace, *Gossip from the Forest* is a magical and unique blend of nature writing, history and imaginative fiction.

Rescuing Patty Hearst Virginia Holman 2007-11-01

In 1975, one year after Patty Hearst and her captors robbed Hibernia National Bank, a second kidnapping took place far from the glare of the headlines. Virginia Holman's mother, in the thrall of psychosis, spirited her two daughters to a cottage on the Virginia Peninsula, painted the windows black, and set up the house as a MASH unit for a secret war. A war that never came. The family -- captive to her mother's schizophrenia and a legal system that refused to intervene -- remained there for more than three years. "What sets this book apart," the *Hartford Courant* observed, "is Virginia's voice...brave, smart, tough." Reviewers nationwide have praised Holman's "riveting," "endearing," and "wryly humorous" story of a young girl caught in the whirlwind of madness -- a girl who chooses a

brainwashed heiress as her role model. Holman's memoir vividly and brilliantly evokes the interior worlds of the sane and the insane and the delicate membrane in between. An essential exploration of identity, captivity, and love, *Rescuing Patty Hearst* will inspire readers' faith in the resilience of one family's spirit to survive and thrive even in the direst of circumstances.

Wallflower at the Orgy Nora Ephron 2012-12-20

'Nora Ephron can write about anything better than anybody else can write about anything' New York Times A biting funny, provocative and revealing look at our foibles, passions and pastimes – from the much-missed, bestselling author of *I Feel Bad About My Neck* and *I Remember Nothing*. From her Academy Award-nominated screenplays (*When Harry Met Sally*, *Sleepless in Seattle*, *Julie & Julia*) to her bestselling fiction and essays, Nora Ephron was one of the most gifted, prolific and versatile writers of our time. In this classic collection of magazine articles, Ephron does what she does best: embrace culture with love, cynicism and unmatched wit. From tracking down the beginnings of the self-help movement, to dressing down the fashion world's most powerful publication, to capturing a glimpse of a legendary movie in the making, these timeless pieces tap into our enduring

obsessions with celebrity, food, romance, clothes, entertainment and sex. Whether casting her ingenious eye on public figures or herself, Ephron deftly weaves her journalistic skill with the intimate style of an essayist and the incomparable talent of a great storyteller.
