Chasing AllieCat Rebecca Fjelland Davis 2011-01-08 Dumped with relatives in a small Minnesota town for the summer, Sadie Lester is relying on her mountain bike to save her from total boredom. Allie leads Sadie and Joe, a cute fellow cyclist, up and down Mount Kato, and the three become close friends. But the exhilarating rush comes to a halt when they find a priest in the woods, badly beaten and near death. After calling for help, Allie disappears from their lives. As they search for Allie and try to find out why she left so suddenly, Sadie and Joe discover more about Allie's past, including her connection to the priest. Only on the day of the big race does Sadie finally learn the complete, startling truth about Allie—and the terrible secret that forced her into hiding. A Junior Library Guild Selection Praise: "Using an authentic adolescent voice with an observant sense of humor, Davis creates an engaging, increasingly gritty (also brutal) bike-centric mystery (and romance)...a suspenseful ride." —KIRKUS REVIEWS "Davis constructs a succinct, compelling story that combines romance, suspense, and the theme of overcoming challenges. The strong sense of place, character development, and love triangle dynamics should engage cycling enthusiasts as well as a broader audience." —PUBLISHERS WEEKLY "A wonderful, tough, and totally believable story . . . Hang on tight. This is quite a ride."—Chris Crutcher, author of *Angry Management "Dangerous"*—TERRY DAVIS, AUTHOR OF *VISION QUEST* "I love Chasing AllieCat. It's proof again of what a tremendous writer Becky Davis is, smart, touching and generous in spirit. She creates in Sadie, Allie, Joe, Siren and these other characters a magnificent group of survivors, that everyone will love getting to know!" —TERRY TRUEMAN, AUTHOR OF *THE PRINTZ HONOR NOVEL STUCK IN NEUTRAL*

Period 8 Chris Crutcher 2013-03-26 In this terrifying and provocative novel by the bestselling and award-winning author of *Deadline* and *Staying Fat* for Sarah Byrnes, a teenage boy tries to uncover what happened to a girl who has vanished from his high school. Was she abducted, or did she run for her life? Paul "The Bomb" Baum tells the truth. No matter what. It was something he learned at Sunday school. But telling the truth can cause problems, and not just minor ones. And as Paulie discovers, finding the truth can be even more problematic. Period 8 is supposed to be that one period in high school where the truth can shine, a safe haven. Only what Paulie and Hannah (his ex-girlfriend, unfortunately) and his other classmates don't know is that the ultimate liar is in their midst. Terrifying, thought-provoking, and original, this novel combines all the qualities of a great psychological thriller with the controversy, ethics, athletics, humor, and raw emotion of a classic Crutcher story.

Chris Crutcher Bryan Gillis 2012-08-17 Chris Crutcher is a literary icon in the field of young adult literature. In this book, Gillis and Cole examine the life, career, and works of this young adult advocate. This volume opens with a never-before-published comprehensive portrait of the author's life, gleaned from numerous conversations with Crutcher. The authors explore Crutcher's childhood, his adolescent years, his life as an adult, and his career as a family counselor and examine how those experiences became fodder for his stories. The authors also discuss Crutcher's encounters with censorship and his philosophical stance. Gillis and Cole also analyze Crutcher's novels, short stories, and novellas, examining his literary craft and such social themes as bigotry, identity, sexuality, relationships, and loss—themes almost always positioned within a sports story.

How Beautiful the Ordinary Michael Cart 2009-10-06 A girl thought to be a boy steals her sister's skirt, while a boy thought to be a girl refuses to wear a cornflower blue dress. One boy's love of a soldier leads to the death of a stranger. The present takes a bittersweet journey into the past when a man revisits the summer school where he had "an accidental romance." And a forgotten mother writes a poignant letter to the teenage daughter she hasn't seen for fourteen years. Poised between the past and the future are the stories of now. In nontraditional narratives, short stories, and brief graphics, tales of anticipation and regret, eagerness and confusion present distinctively modern views of love, sexuality, and gender identification. Together, they reflect the vibrant possibilities available for young people learning to love others—and themselves—in today's multifaceted and quickly changing world.

He writes, "The Children's Story came into being that day. It was then that I really realized how vulnerable my child's mind was —any mind, for that matter—under controlled circumstances. Normally I write and rewrite and re-rewrite, but this story came quickly—almost by itself. Barely three words were changed. It pleases me greatly because I kept asking the questions... Questions like, What's the use of 'I pledge allegiance' without understanding? Like Why is it so easy to divert thoughts? Like What is freedom? and Why is so hard to explain? *The Children's Story* keeps asking me all sorts of questions I cannot answer. Perhaps you can—then your child will..."

Literature for Young Adults Joan L. Knickerbocker 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives, and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read. It explores a great variety of works, genres, and formats, but it places special emphasis on contemporary works whose nontraditional themes, protagonists, and literary conventions make them well suited to young adult readers. It also looks at the ways in which contemporary readers access and share the works they're reading, and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs. In addition to traditional genre chapters, *Literature for Young Adults* includes chapters on literary nonfiction; poetry, short stories, and drama; cover art, picture books, illustrated literature, and graphic novels; and film. It recognizes that, while films can be used to complement print literature, they are also a literacy format in their own right—and one that young adults are particularly familiar and comfortable with. The book's discussion of literary language—including traditional elements as well as metafictional terms—enables readers to share in a literary conversation with their students (and others) when communicating about books. It will help readers teach young adults the language they need to articulate their responses to the books they are reading.

There's Angus Bethune and Sarah Byrnes, who can hide from everyone but each other. Together, they will embark on a road trip full of haunting endings and glimmering beginnings. And Montana West, who doesn't step down from a challenge. Not even when the challenge comes from her adoptive dad, who's leading the school board to censor the article she wrote for the school paper. And straightlaced Matt Miller, who had never been friends with outspoken genius Marcus James. Until one tragic week—a week they'd do anything to change—brings them closer than Matt could have ever imagined.

Following angry outbursts at his football coach and English teacher that have cost him his spot on the football team and moved him dangerously close to expulsion from school, he turns to the only adult he believes will listen: Larry King. In his letters to Larry, Bo describes his quest for excellence on his own terms. No more coaches for me, he tells the talk show icon, no more dads. I'm going to be a triathlete, an Ironman. Relegated to Mr. Nak's before-school Anger Management group (which he

initially believes to be populated with future serial killers and freeway snipers), Bo meets a hard-edged, down-on-their-luck pack of survivors with stainless steel shields against the world that Bo comes to see are not so different from his own. It is here he meets and falls in love with Shelly, a future American Gladiator, whose passion for physical challenge more than matches his. Ironman is a funny, sometimes heartbreaking story about growing up in the heart of struggle. It is about standing up, getting knocked down, and standing up again. Hayn, Kaplan, and their contributors address a wide range of topics: how to avoid common obstacles to using YAL; selecting quality YAL for classrooms while balancing these with curriculum requirements; engaging disenfranchised readers; pairing YAL with technology as an innovative way to teach curriculum standards across all content areas. Contributors also discuss more theoretical subjects, such as the absence of lesbian, gay, bisexual, transgender and questioning (LGBTQ) young adult literature in secondary classrooms; and contemporary YAL that responds to the changing expectations of digital generation readers who want to blur the boundaries between page and screen.

King of the Mild Frontier Chris Crutcher 2009-09-22 ALA Best Fiction for Young Adults * New York Public Library Books for the Teen Age A riveting, scorching—and hilarious—autobiography by the award-winning author of *Staying Fat for Sarah Byrnes* and *Deadline*. From trying to impress a member of the girls' softball team (with disastrous dental results) to enduring the humiliation of his high school athletic club initiation (olives and oysters play unforgettable roles), Chris Crutcher's memoir of the tricky road to adulthood is candid, disarming, laugh-out-loud funny, relevant, and never less than riveting. He vividly describes a temper that was always waiting to trip him up even as it sustained him through some of the most memorable mishaps any child has survived. And how did this guy (he lifted his brother's homework through the entire tenth grade) ever become a writer, not to mention the author of fourteen critically acclaimed books for young people? The frontier may be mild, but the book is not. Fans of Tara Westover's *Educated*, Jack Gantos's *Hole in My Life*, and Walter Dean Myers's *Bad Boy* will laugh, will cry, and will remember. "Funny, bittersweet and brutally honest. Readers will clasp this hard-to-put-down book to their hearts even as they laugh sympathetically."—Publishers Weekly (starred review)

Whale Talk Chris Crutcher 2009-09-22 "A truly exceptional book."—Washington Post There's bad news and good news about the Cutter High School swim team. The bad news is that they don't have a pool. The good news is that only one of them can swim anyway. Bestselling author Chris Crutcher's controversial and acclaimed novel follows a group of outcasts as they take on inequality and injustice in their high school. "Crutcher's superior gifts as a storyteller and his background as a working therapist combine to make magic in *Whale Talk*. The thread of truth in his fiction reminds us that heroes can come in any shape, color, ability or size, and friendship can bridge nearly any divide."—Washington Post T.J. Jones hates the blatant preferential treatment jocks receive at his high school, and the reverence paid to the varsity lettermen. When he sees a member of the wrestling team threatening an underclassman, T.J. decides he's had enough. He recruits some of the biggest misfits at Cutter High to form a swim team. They may not have very much talent, but the All-Night Mermen prove to be way more than T.J. anticipated. As the unlikely athletes move closer to their goal, these new friends might learn that the journey is worth more than the reward. For fans of Andrew Smith and Marieke Nijkamp. "Crutcher offers an unusual yet resonant mixture of black comedy and tragedy that lays bare the superficiality of the high-school scene. The book's shocking climax will force readers to re-examine their own values and may cause them to alter their perception of individuals pegged as 'losers.'"—Publishers Weekly An American Library Association Best Book for Young Adults New York Public Library Books for the Teen Age Features a new afterword by Chris Crutcher
