Paulo Coelho has sold over 230 million copies of his books, in 81 different languages in more than 170 countries across the world.

Isthmian Collectors Club Journal 2008

David Plowman

The Junior Officers' Reading Club Patrick Hennessey 2009-06-25 For the first time in a generation British soldiers are once again fighting at close quarters, coming under sustained and vicious firepower, losing friends in some of the most violent fighting the modern army has endured. Yet the same soldiers also serve on international peacekeeping missions, or counter insurgency. Sometimes they do all three in the same country. The Junior Officers' Reading Club is the story of how one of these soldiers was made, through the testosterone-heavy breeding ground of Sandhurst, into the war-pockmarked, gritty Balkans, out into the nightmare of Iraq and Afghanistan's Helmand Province, pinned down by the Taliban, living only from moment to moment. Written in spare and lucid prose, it describes with alarming vividness not only the frenetic violence of a soldier's life, but the periods of stifling and (sometimes) comic boredom, living inside an institution in a state of flux, an Army caught between a world that needs it and a society that no longer understands it.

How to Practice Academic Medicine and Publish from Developing Countries? Samiran Nundy 2021-10-23 This is an open access book. The book provides an overview of the state of research in developing countries – Africa, Latin America, and Asia (especially India) and why research and publications are important in these regions. It addresses budding but struggling academics in low and middle-income countries. It is written mainly by senior colleagues who have experienced and recognized the challenges with design, documentation, and publication of health research in the developing world. The book includes short chapters providing insight into planning research at the undergraduate or postgraduate level, issues related to research ethics, and conduct of clinical trials. It also serves as a guide towards establishing a research question and research methodology. It covers important concepts such as writing a paper, the submission process, dealing with rejection and revisions, and covers additional topics such as planning lectures and presentations. The book will be useful for graduates, postgraduates, teachers as well as physicians and practitioners all over the developing world who are interested in academic medicine and wish to do medical research.

The Box in the Woods Maureen Johnson 2021-06-15 After solving the case of Truly Devious, Stevie Bell investigates her first mystery outside of Ellingham Academy in this spine-chilling and hilarious stand-alone mystery from New York Times bestselling author Maureen Johnson. Amateur sleuth Stevie Bell needs a good murder. After catching a killer at her high school, she's back at home for a normal (that means boring) summer. But then she gets a message from the owner of Sunny Pines, formerly known as Camp Wonder Falls—the site of the notorious unsolved case, the Box in the Woods Murders. Back in 1978, four camp counselors were killed in the woods outside of the town of Barlow Corners, their bodies left in a gruesome display. The new owner offers Stevie an invitation: Come to the camp and help him work on a true crime podcast about the case. Stevie agrees, as long as she can bring along her friends from Ellingham Academy. Nothing sounds better than a summer spent together, investigating old murders. But something evil still lurks in Barlow Corners. When Stevie opens the lid on this long-dormant case, she gets much more than she bargained for. The Box in the Woods will make room for more victims. This time, Stevie may not make it out alive. * Cosmopolitan Best YA Books of 2021 * People Magazine Best Books of Summer 2021*

"Russian up" your lessons with this cute notebook!

Journal of the Society of Arts Royal Society of Arts (Great Britain) 1893

Author in Chief Craig Fehrman 2020-02-11 "One of the best books on the American presidency to appear in recent years." —Thomas Mallon, The Wall Street Journal "Fun and fascinating...It's witty, charming, and fantastically learned. I loved it." —Rick Perlstein Based on a decade of research and reporting, Author in Chief tells the story of America's presidents as authors—and offers a delightful new window into the public and private lives of our highest leaders. Most Americans are familiar with Abraham Lincoln's famous words in the Gettysburg Address and the Eman-cipation Proclamation. Yet few can name the work that helped him win the presidency: his published collection of speeches entitled Political Debates between Hon. Abraham Lincoln and Hon. Stephen A. Douglas. Lincoln labored in secret to get his book ready for the 1860 election, tracking down newspaper transcripts, editing them carefully for fairness, and hunting for a printer who would meet his specifications. Political Debates sold fifty thousand copies—the rough equivalent of half a million books in today's market—and it reveals something about Lincoln's presidential ambitions. But it also reveals something about his heart and mind. When voters asked about his beliefs, Lincoln liked to point them to his book. In Craig Fehrman's groundbreaking work of history, Author in Chief, the story of America's presidents and their books opens a rich new window into presidential biography. From volumes lost to history—Calvin Coolidge's Autobiography, which was one of the most widely discussed titles of 1929—to ones we know and love—Barack Obama's Dreams from My Father, which was very nearly never published—Fehrman unearths countless insights about the presidents through their literary works. Presidential books have made an enormous impact on American history, catapulting their authors to the national stage and even turning key elections. Beginning with Thomas Jefferson's Notes on the State of Virginia, the first presidential book to influence a campaign, and John Adams's Autobiography, the first score-settling presiden-tial memoir, Author in Chief draws on newly uncovered information—including never-before-published letters from Andrew Jackson, John F. Kennedy, and Ronald Reagan—to cast fresh light on the private drives and self-doubts that fueled our nation's leaders. We see Teddy Roosevelt as a vulnerable first-time author, struggling to write the book that would become a classic of American history. We see Reagan painstakingly revising Where's the Rest of Me?, a forgotten memoir in which he sharpened his sunny political image. We see Donald Trump negotiating the deal for The Art of the Deal, the volume that made him synonymous with business savvy. Alongside each of these authors, we also glimpse the everyday Americans who read them. Combining the narrative felicity of a journalist with the rigorous scholarship of a historian, Fehrman delivers a feast for history lovers, book lovers, and everybody curious about a behind-the-scenes look at our presidents.

Welcome to Stoneybrook: Guided Journal (Baby-Sitters Club TV) Jenna Ballard 2021-05-04 Become an honorary member of the BSC with this Baby-sitters Club guided journal Based on the new show on Netflix A whole new generation of fans is about to meet Kristy, Mary Anne, Claudia, Stacey, Dawn, and the rest of the BSC gang when the new Baby-sitters Club show drops on Netflix. Welcome to the Club Baby Book Raquel Wegman 2018-04

The Food Medic Hazel Wallace 2017-05-04 Junior Doctor, personal trainer and Instagram hit Dr Hazel Wallace's first book brings you over 70 nutritional recipes to look and feel amazing whilst debunking the diet myths. 'I'm a girl who juggles two jobs, who loves to lift, who adores real food - and can't resist chocolate. As a junior doctor and a personal trainer, I know that we all feel our best when we are free of illness, full of energy and at a healthy weight - and I know it can be done, even if you lead the busiest of lives! I want to debunk the myths that are out there surrounding dieting and instead offer solid, evidence-based advice. I want to bridge the gap between mainstream medicine and nutrition and help you take full control of your fitness and wellbeing, so you will never have to diet again. I want to show you that eating the most natural,

unrefined and unprocessed wholefood ingredients can be enjoyable, uncomplicated and easy to incorporate into a busy lifestyle. I want this book to change your life.' Hazel x

The Book Club Journal Adams Media 2020-10-13 Keep track of your book club selections and record your latest literary adventures with this reading journal to stay organized for your next meeting! Book clubs are a great way to read new books and discover different genres and new topics that you may not be too familiar with. You can share your thoughts in a social setting and enjoy interesting conversations that might open your eyes to other opinions about the book. But all too often we forget the best details once the book is finished and put back on the shelf. With The Book Club Journal, you can collect and remember all your important thoughts and feelings so that you can reflect on them for future meetings or rereadings. Made specifically for book club members, this journal has prompts for all the basic book stats, such as the title, author, and who suggested the book, along with book club specific questions like "How does this book compare with the titles we have read previously?" This fun and useful journal also includes reference pages with lists of classic book club must-reads, and room for you to create your very own to-read list.
