Slavery and the British Country House Andrew Hann 2013 In 2007 English Heritage commissioned initial research into links with transatlantic slavery or its abolition amongst families who owned properties now in its care. This was part of the commitment by English Heritage to commemorate the bicentenary of the abolition of the British transatlantic slave trade with work that would make a real difference to our understanding of the historic environment in the longer term. The research findings and those of other scholars and heritage practitioners were presented at the 'Slavery and the British Country House' conference which brought together academics, heritage professionals, country house owners and community researchers from across Britain to explore how country houses might be reconsidered in the light of their slavery linkages and how such links have been and might be presented to visitors. Since then the conference papers have been updated and reworked into a cutting edge volume which represents the most current and comprehensive consideration of slavery and the British country house as yet undertaken.

When Scotland Was Jewish Elizabeth Caldwell Hirschman 2015-05-07 The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

Learn How to Increase Your Chances of Winning the Lottery Richard Lustig 2010 In his book, Richard discusses the ins and outs and dos and don'ts of buying lottery tickets to increase your chances of winning. He has created a method that he and members of his family use that has enabled them to WIN several lottery game GRAND prizes. This is a

very easy to use method and will work with any type lottery games (scratch tickets or number games) in any state or country. Here are some quotes from people who have used his method: "My husband and I used Richard Lustig's lotto method and within months of starting the method we hit a Mega Money jackpot for 2 million dollars! It was really easy to follow. You only play what you can and you can still win! Shaun and I will only play lotto from now on using these strategies." -Jennifer and Shaun, Florida "Since we've been using your method, we have definitely been winning more than we used to. It's easy to follow" -Dale, Florida "I just wanted to let you know that my husband and I read through your lottery method last night. It seems great. It seems to be just simple logic and makes sense." -Kate, Illinois

Hell's Rejects M. R. Forbes 2017-02-17 The most powerful starships ever constructed are gone. Thousands are dead. A fleet is in ruins. The attackers are unknown. The orders are clear: Recover the ships. Bury the bastards who stole them. Lieutenant Abigail Cage never expected to find herself in Hell. As a Highly Specialized Operational Combatant, she was one of the most respected soldiers in the military. Now she's doing hard labor on the most miserable planet in the universe. Not for long. The Earth Republic is looking for the most dangerous individuals it can control. The best of the worst, and Abbey happens to be one of them. The deal is simple: Bring back the starships, earn your freedom. Try to run, you die. It's a suicide mission, but she has nothing to lose. The only problem? There's a new threat in the galaxy. One with a power unlike anything anyone has ever seen. One that's been waiting for this moment for a very, very, long time. And they want Abbey, too. Be careful what you wish for. They say Hell hath no fury like a woman scorned. They have no idea...

Earth Unknown M. R. Forbes 2018-05-18 Some things are meant to stay forgotten... Former Centurion Space Force Captain Nathan Stacker is a criminal. He isn't proud of it, but the truth is there aren't many options for men like him in a place like Proxima - humankind's closest settlement to Earth. It's surprisingly hard to make a clean start on a planet with a population of over one hundred million, and the only thing keeping him out of a containment center is a job as a courier for the Trust - the planet's ruthless crime syndicate. It isn't the life he dreamed of when he entered the Space Force, but at least he has a wife who loves him. Everything changes when Nathan returns home to find her violently murdered, killed over a dangerous secret he never knew she held. Charged with her homicide, desperate to uncover the truth and avenge her death, Nathan launches a bold escape to the only place in the universe he thinks he'll be safe: Earth. He couldn't be more wrong. He's about to learn that some secrets are bigger than a planet. Some secrets are impossible to escape. And some secrets have the power to destroy more than one life and more than one world. Some secrets have the power to destroy everything.

Oskar Schindler David Crowe 2007-08-01 Spy, businessman, bon vivant, Nazi Party member, Righteous Gentile. This was Oskar Schindler, the controversial man who saved

eleven hundred Jews during the Holocaust but struggled afterwards to rebuild his life and gain international recognition for his wartime deeds. David Crowe examines every phase of Schindler's life in this landmark biography, presenting a savior of mythic proportions who was also an opportunist and spy who helped Nazi Germany conquer Poland. Schindler is best known for saving over a thousand Jews by putting them on the famed "Schindler's List" and then transferring them to his factory in today's Czech Republic. In reality, Schindler played only a minor role in the creation of the list through no fault of his own. Plagued by local efforts to stop the movement of Jewish workers from his factory in Kraków his new one in Brüz, and his arrest by the SS who were investigating corruption charges against the infamous Amon Gö Schindler had little say or control over his famous "List." The tale of how the "List" was really prepared is one of the most intriguing parts of the Schindler story that Crowe tells here for the first time. Forced into exile after the war, success continually eluded Schindler and he died in very poor health in 1974. He remained a controversial figure, even in death, particularly after Emilie Schindler, his wife of forty-six years, began to criticize her husband after the appearance of Steven Spielberg's film in 1993. In Oskar Schindler, Crowe steps beyond the mythology that has grown up around the story of Oskar Schindler and looks at the life and work of this man whom one prominent Schindler Jew described as "an extraordinary man in extraordinary times." Use It Cheryl Hunter 2012-06 As eighteen-year-old Cheryl Hunter escapes rural Colorado for the bright lights of Europe, she does so with nothing more than an over-packed suitcase and a dream. Once there, her mind is bent on solving one problem alone: how does a small-town cowgirl pull off the feat of becoming an international supermodel? When Cheryl is abducted, raped and brutally beaten instead, she is faced with solving a much bigger problem: how does she survive? Using her journey of rising from the ashes as fuel, Hunter delivers a step-by-step method that can be applied by anyone who has ever dealt with less-than-favorable circumstances. In a world where—let's face it—life often hijacks our personal agendas, Cheryl shows you how to immediately take back the reins, design a life you love, and become the unstoppable force of nature you were born to be.

Man of War M. R. Forbes 2016-02-19 In the year 2280, an alien fleet attacked the Earth. Their weapons were unstoppable, their defenses unbreakable. Our technology was inferior, our militaries overwhelmed. Only one starship escaped before civilization fell. Earth was lost. It was never forgotten. Fifty-two years have passed. A message from home has been received. The time to fight for what is ours has come. Welcome to the rebellion.

The Silvered Serpents Roshani Chokshi 2021-11-30 They are each other's fiercest love, greatest danger, and only hope. 'Devastating and delicious' Holly Black, New York Times bestselling author of The Cruel Prince Returning to the dark and glamorous 19th century world of her New York Times bestseller, The Gilded Wolves, Roshani Chokshi dazzles us with another riveting tale full of mystery, danger, and romance. Séverin and his team members might have successfully thwarted the Fallen House, but victory came at a terrible cost - one that still haunts all of them. Desperate to make amends, Séverin pursues a dangerous lead to find a long-lost artefact rumoured to grant its possessor the power of God. Their hunt lures them far from Paris and into the icy heart of Russia, where crystalline ice animals stalk forgotten mansions, broken goddesses carry deadly secrets, and a string of unsolved murders makes the crew question whether an ancient myth is a myth after all. As hidden secrets come to light and the ghosts of the past catch up to them, the crew will discover new dimensions of themselves. But what they find out may lead them down paths they never imagined. The Quit Alternative Ben Fanning 2014-10-26 Here are the top 5 reasons this professional development book is a MUST READ: 1) You can create the job you love without quitting your job and giving up your steady paycheck, 401(k), and insurance. This book shows you how. You won't find this information in traditional career guides. It is 100% possible for you, even if you've been considering how to quit your job or how to snag a job you love. 2) You'll be entertained (and secretly educated). You'll laugh, cry, and maybe even feel compelled to leave a copy on your boss' desk. Stick with me, and you'll discover helpful principles that will make you the talk of the water cooler. This isn't another ho-hum professional development book, and it's not a "how to find a job" guide full of blank forms. You'll learn a new and inspiring perspective through unforgettably entertaining stories, like what I learned the day my shrink fired me, how I negotiated for a toilet seat on the corporate jet, and how I got called out by my masseuse. 3) You'll become empowered, whether you're the mail clerk or CEO or you fall somewhere in between. This book has been endorsed by 5 senior executive leaders of Fortune 1000 companies and 3 mail clerks. 4) You'll discover a return on your investment to earn a car. Invest a few dollars and a little bit of time to read this book, and you'll pick up career development tips that can save you enough to earn a car (page 9). 5) You'll have a "Personal Career Counselor in Your Pocket." It's useful and practical with vivid case studies for how to negotiate with the boss to help pay for your MBA or support a relocation to the city of your dreams. You'll also learn how to deal with an unreasonable boss and even say "No" without getting fired.

Starship Eternal M. R. Forbes 2015-01-09 ----- A lost starship... A dire warning from futures past... A desperate search for salvation... ----- Captain Mitchell "Ares" Williams is a Space Marine and the hero of the Battle for Liberty, whose Shot Heard 'Round the Universe saved the planet from a nearly unstoppable war machine. He's handsome, charismatic, and the perfect poster boy to help the military drive enlistment. Pulled from the war and thrown into the spotlight, he's as efficient at charming the media and bedding beautiful celebrities as he was at shooting down enemy starfighters. After an assassination attempt leaves Mitchell critically wounded, he begins to suffer from strange hallucinations that carry a chilling and oddly familiar warning: They are coming. Find the Goliath or humankind

will be destroyed. Convinced that the visions are a side-effect of his injuries, he tries to ignore them, only to learn that he may not be as crazy as he thinks. The enemy is real and closer than he imagined, and they'll do whatever it takes to prevent him from rediscovering the centuries lost starship. Narrowly escaping capture, out of time and out of air, Mitchell lands at the mercy of the Riggers - a ragtag crew of former commandos who patrol the lawless outer reaches of the galaxy. Guided by a captain with a reputation for cold-blooded murder, they're dangerous, immoral, and possibly insane. They may also be humanity's last hope for survival in a war that has raged beyond eternity.

Bound (the Divine, Book Four) M. R. Forbes 2014-02 My name is Landon Hamilton. I'm in hell. I was sacrificed to save the world, and imprisoned with the very thing that sought to destroy it. I could handle that, except the love of my afterlife is stuck here with me, and the monster in this cage has all of eternity for payback. Even worse? Our only hope of escaping this torment rests with the vampire who set it loose to begin with. I hope it was worth it.

The Psychosocial Implications of Disney Movies Lauren Dundes 2019-07-11 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

The Finger of God Jesse L. Jackson Jr. 2021-12-06 Let me offer an early disclaimer. I know exactly who the Founders were. I know exactly the crimes against humanity that they were responsible for and those they inherited and were not responsible for. I do not spend time extolling the virtues of Mr. Jefferson, Mr. Adams, Mr. Franklin, and Mr. Madison. Nothing in this work or in my experiment (my life's work) can change the fact or alter the history of the debasement of humanity that preceded the Declaration of Independence (1776), the Constitution (1787), and the Bill of Rights (1791) they were a part of and the obvious fact that the major accomplishment of the Founders' theories about self-government did not apply to African Americans and Native Americans, women, and specifically Black women in their thinking. Still, there exists in their theological imagination infinite hope for their experiment. This work seeks to identify the evidence that shows and suggests that some of them were aware of a grand architectural experiment and design for the nation and its future. Every cracked, broken, and imperfect vessel can be used to bring forward hope. I am a personal witness to this fact of human existence.

Demon Child Kat Cotton 2017-11-25 This demon fighting business used to be so simple. Get in, use my sex thrall to dust pesky incubi and get paid the big bucks. A girl's gotta do what a girl's gotta do. Now there's a Demon Child on a feeding rampage. I'll get all the kudos if I kill him but no one's fronting up with the cash -- and you can't eat kudos. Then the most infuriating vampire I've ever met wants to hire me. By the way, working for a vampire is strictly taboo. So, how do I kill this one? Can't use my sex thrall when he looks like a kid, silver doesn't hurt him and stakes don't work either. This time, I have to rely on my wits, my skills and, worst of all, teamwork! We might all be doomed. If you like snarky vampires, snappy dialogue, and hot-blooded team dynamics, then you'll love this fiendishly fun adventure.
