Hearts Turn Michael Sugich 2019-01-29 'Hearts Turn' is a singular and gripping exploration of the act of 'tawba', a Qur'anic term

commonly translated as repentance. In English, repentance is a forbidding word that suggests a puritanical finality. But in Arabic the term 'tawba' is dynamic, meaning to 'turn' or 'return'. 'At-Tawwab' is one of the Names of God, the Oft-Returning or Ever-Relenting. It is an active constant, an ongoing, compassionate reality that renews every moment we are alive. The process of purification is a process of continuous turning. In 'Hearts Turn' Michael Sugich, author of 'Signs on the Horizons', tells stories that are harrowing and hilarious, heartrending and bizarre, profane and transcendent, and altogether full of hope, showing how men and women from many parts of the world and many walks of life have turned themselves around and taken a fork in the road toward a higher reality. "This book is a declaration of mercy and certainty. Formed of a collection of stories I've experienced, read or heard, about how malleable the human heart can be and how wrongdoing, remorse, need, and yearning intersect with Divine Compassion, Forgiveness and Guidance. It is also about the sudden transitions from confusion to clarity, from sin to virtue, from sleep to wakefulness, from ignorance to knowledge, from foolishness to wisdom. And finally it is about the path of our lives, which leads us gradually, and for those who God favors, inexorably to salvation." From the introduction to 'Hearts Turn'"Magnificent!...Interlacing ancient and modern experiences of the unexpected presence of God, this unique anthology of conversion stories reminds us of the ongoing spiritual power of Islamic faith." Dr. Timothy Winter (Shaykh Abdal Hakim Murad) Dean of Cambridge Muslim College"Michael Sugich is a master storyteller as he demonstrated in 'Signs on the Horizons'. 'Hearts Turn' is a brilliantly written reminder that God's Mercy is always open to each of us, no matter our position in life. This book has the power to leave the reader wanting to turn to God and to His Mercy. I loved this book." Sami Yusuf Singer, Composer, Humanitarian"A really heartwarming book...for a generation of young Muslims and converts who face inner doubts and in need of a few smart lessons from Michael's journeybook, told through many voices and his own unique spiritual history. It is a relief to know I am not alone." Yusuf Islam (Cat Stevens)

???? ?????????? Muhammad Jib?I? 2005 Marriage holds a position of perpetual significance because of the central role it plays in human life. It is not surprising, therefore, that the scholars of Islam have discussed it extensively through the ages. Under the contemporary influence of non-Islamic cultures, however, misconceptions have crept into various areas of Islam - spilling into marriage, divorce, and other family-related matters. Viewing the needs of the Muslims who live in non-Islamic environments, and realizing that most Islamic writings on marriage are restricted in scope, we find quite a large gap that needs to be filled for the benefit of the English-speaking Muslims - which is what we attempt to accomplish over the span of this 4-book set that covers various aspects of marriage according to the authentic Sunnah. This book covers the obligations of the two spouses, the wife's rights, and the husband's rights. It

contains biographies of the Mothers of the Believers, paints very realistic pictures from the life of the Prophet Mohammed with his wives and the interpretation of the hadith of Umm Zar.

After the Gestapo took down a Resistance network in Paris, British spy Noor Inayat Khan found herself the only undercover radio operator left in that city. The Ideal Muslim Muhammad Al-Hashimi 2018-05-10 The true Islamic personality as defined by the Qur'an and Sunnah presents a comprehensive overview of the way in which the Prophet (peace and blessings of Allah be upon him) and his Companions lived. This

picture of the practical aspects of a truly Islamic lifestyle serves as a timely reminder for all of us. At a time when unIslamic and anti-Islamic influences are spreading, via modern technology, to the heartlands of Islam and even to the remotest regions, a Muslim needs to hold firm to the distinct character of our faith, as prescribed by Allah and revealed through His Prophet (peace and blessings of Allah be upon him). Dr. Muhammad 'Ali al-Hashimi presents a well-thought-out guide to the Islamic lifestyle. He starts with the Muslim's relationship with his Lord, which is the most important aspect of his life, and provides the foundation for all his other relationships. From there, he outlines how the Muslim should relate to every person in his life, starting with himself and his family, and moving on, by stages, to encompass every member of the community or society. Each point is supported by extensive quotations from the Qur'an and the Sunnah of Prophet Muhammad (peace and blessings of Allah be upon him).
