Christian Home Educators' Curriculum Manual Cathy Duffy 1995-07 Cathy Duffy draws upon her many years of home education experience, both in teaching and researching curriculum, to bring us the most thorough and useful book available on teaching teenagers at home.
Helping Students Motivate Themselves Larry Ferlazzo 2013-09-27 Give your students the tools they need to motivate themselves with tips from award-winning educator Larry Ferlazzo. A comprehensive outline of common classroom challenges, this book presents immediately applicable steps and lesson plans for all teachers looking to help students motivate themselves. With coverage of brain-based learning, classroom management, and using technology, these strategies can be easily incorporated into any curriculum. Learn to implement solutions to the following challenges: How do you motivate students? How do you help students see the importance of personal responsibility? How do you deal with a student who is being disruptive in class? How do you regain control of an out-of-control class? And more! Blogger and educator Larry Ferlazzo has worked to combine literacy development with short and rigorous classroom lessons on topics such as self-control, personal responsibility, brain growth, and perseverance. He uses many "on-the-spot" interventions designed to engage students and connect with their personal interests. Use these practical, research-based ideas to ensure all of your students are intrinsically motivated to learn!

Where Is Here Joyce Carol Oates 1992-09-21 In dramatic, tightly focused narratives charges with tension, menace, and the shock of the unexpected, Where Is Here? examines a world in which ordinary life is electrified by the potential for sudden change. Domestic violence, fear and abandonment and betrayal, and the obsession with loss shadow the characters that inhabit these startling, intriguing stories. With the precision and intensity that are the hallmarks of her remarkable talent, Joyce Carol Oates explores the unexpected turns of events that leave people vulnerable and struggling to puzzle out the consequences of their abrupt reversals of fortune. As in the title story, in which a married couple find their controlled life irrevocably altered by a stranger's visit, the fiction in this new collection is punctuated again and again by mysterious, perhaps unanswerable, questions: "Out of what does our life arise? Out of what does our consciousness arise? Why are we here? Where is here?" Like the questions they pose, these tales -- at once elusive and direct -- unfold with the enigmatic twists of riddles and, often, the blunt shock of tragedy. Where is Here? is the work of a master practitioner of the short story.

Le Morte D'Arthur Thomas Malory 2015-03-05 This brisk retelling of Le Morte D'Arthur highlights the narrative drive, humor, and poignancy of Sir Thomas Malory's original while updating his fifteenth-century English and selectively pruning over-elaborate passages that can try the patience of modern readers. The result is an adaptation that readers can enjoy as a fresh approach to Malory's sprawling masterpiece. The book's most famous episodes--the sword in the stone, the cataclysmic final battle--are all here, while lesser-known key episodes stand forth with new brightness and clarity. The text is accompanied by an up-to-date bibliography, including websites and video resources, and a descriptive index keyed--like the retelling itself--to the book and chapter divisions of William Caxton's first printed edition of 1485.

Self-Driven Learning Larry Ferlazzo 2013-09-05 In this lively, research-based book, award-winning educator Larry Ferlazzo tackles everyday classroom challenges with creative instructional techniques to help middle- and high-school teachers develop self-motivated and high-achieving students. The practical tips, online resources, and mini-lessons in this book encourage students to take charge of their own learning, boosting their success in and outside of the classroom. Detailed lesson plans in every chapter align with the Common Core English Language Arts Standards and cover a variety of valuable skills, including: Personal responsibility and perseverance Social and emotional learning Standardized test-taking strategies And much more!

Candide Voltaire 2016-04-02 Candide by Voltaire from Coterie Classics All Coterie Classics have been formatted for ereaders and devices and include a bonus link to the free audio book. "Do you believe," said Candide, "that men have always massacred each other as they do to-day, that they have always been liars, cheats, traitors, ingrates, brigands, idiots, thieves, scoundrels, gluttons, drunkards, misers, envious,

ambitious, bloody-minded, calumniators, debauchees, fanatics, hypocrites, and fools?' Do you believe,' said Martin, 'that hawks have always eaten pigeons when they have found them?' ? Voltaire, *Candide* Candide is a young man who is raised in wealth to be an optimist but when he is forced to make his own way in the world, his assumptions and outlook are challenged.

Understanding Creation L. James Gibson 2011-01 Understanding Creation articulates twenty questions about faith and science that Christians often encounter. The co-editors have assembled an international group of experienced scientists, researchers, and thinkers who provide thoughtful answers to these questions. They all share several convictions: the biblical record is an essential component of Christian doctrine; Christian faith and empirical science can work fruitfully together; and our comprehension of truth is progressive.
