Jaws of Darkness Harry Turtledove 2012-05-31 The grand conflict for control of the continent of Derlavai rages on, in a battle with all the drama and terror of the Second World War-only the bullets are beams of magical fire, the tanks and submarines are great lumbering beasts, and the fighters and bombers are dragons raining fire upon their targets. Yet hope may be dawning at last. The terrible onslaught of the conquering forces of Algarve-who power their battle magics with the life energy of their murdered victims-begins to founder as it runs into Habbakuk: a sorcerous ship of ice used by embattled nations of Lagoas and Kuusamo to ferry their deadly dragons across the seas to strike at the very heart of Algarvian power. But though the tide has begun to turn, the conflict is far from over. The widely disdained Kaunians still struggle desperately to escape as the Algarvians kill them by the thousands-for life energy, but also simply for the crime of being Kaunian. And as the deaths of innocent civilians on both sides continue to feed the flames of war, those who have struggled to survive and preserve their freedom have only their passions to see them through. . . .

The Misplaced Legion Harry Turtledove 2011-09-29 As their armies watch, Marcus, a Roman centurion, and Viridovix, a Celt, begin a duel to the death until a strange spell transports them and a group of Roman legionaires to the mysterious world of Videssos, a land ruled by magic and dark sorcery.

Through the Darkness Harry Turtledove 2007-04-01 In Harry Turtledove's third novel in the Darkness series, a young Kaunian girl is forced to remain hidden while her Forthwegian savior braves the rough, Algarvian-controlled streets to earn their keep. The scholars of Kuusamo are no closer to understanding the bloodless magic that may win the war-and time is short. Kuusamo has joined into an unsteady alliance with Lagoas and Unkerlant. No one kingdom trusts another, but they must unite, for it is only together that they can defeat the Algarvian threat.The war is no longer confined to soldiers and sorcerers. Common folk are joining together to fight from underneath their oppressors, whether they be Algarve or Unkerlant. What those farmer soldiers lack in skill, they make up for in dedication. A dedication that will carry them . . .

through the darkness. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Lest Darkness Fall Lyon Sprague De Camp 1963 One of the best examples of the alternate history genre.

Kaleidoscope Harry Turtledove 2013-06-24 Thirteen dazzling tales by a master of science fiction and fantasy, including: THE WEATHER'S FINE - In our world, time is money, but in Harry Turtledove's alternate world, weather is time. And for Tom and Donna, happiness requires a temperature of 1968. THE LAST ARTICLE - The Nazis had conquered the British Empire. But what use were Panzers and storm troopers against the Empire's most troublesome subject - Mahatma Gandhi? THE CASTLE OF THE SPARROWHAWK - Prince Rupen accepted the faeries' challenge to win his heart's desire. And though they told him the price of failure, they did not mention the penalty of success! GENTLEMEN OF THE SHADE - If Jack the Ripper was a vampire, who better to stop him than Victorian London's other vampires? And who else but they could arrive at so sublimely fitting a punishment?

Liberating Atlantis Harry Turtledove 2013-03-29 Frederick Radcliff is a descendant of the family that founded Atlantis's first settlement, and his grandfather Victor led the army against England to win the nation's independence. But he is also a black slave, unable to prove his lineage and forced to labour on a cotton plantation in the southern region of the country. Frederick feels the colour of his skin shouldn't keep him from having the same freedom his ancestors fought and died to win for themselves. And when fate presents him with the opportunity to throw off his shackles once and for all, he becomes the leader of a revolutionary army of black and red slaves determined to free all of his brethren across Atlantis.

Bridge of the Separator Harry Turtledove 2005-12-01 THE NEW NOVEL IN THE POPULAR VIDESSIONS SERIES Rhavas was a good, holy, and pious man%and the cousin of the Avtokrator. He would probably have become ecumenical patriarch of the Empire in the capital, Videssos the city . . . if his world had not suddenly and tragically fallen apart when the Empire of Videssos erupted into civil war and the Khamorth barbarians swarmed over the borders. As the home he loved was brutally sacked, Rhavas had to flee for his life, and then make his way through lands swarming with fierce nomads and with soldiers loyal both to his cousin and to the rebel. He may never see Videssos the city again, let alone preside in its High Temple. He has always followed Phos, the god of light and goodness, Videssos' god, and despised evil rival Skotos. Those who fall off the Bridge of the Separator during judgment in the afterlife tumble down to Skotos' ice forevermore. But when evil seems to have swallowed the whole world, what is a cleric who reverences logic as well as goodness supposed to believe It's a harder question than Rhavas wishes it were. FANTASY ADVENTURE BY A BEST-SELLING AWARD-WINNING MASTER At the publisher's request, this title is sold without DRM (Digital Rights Management).

The Span of Empire Eric Flint 2016-09-06 A new novel in New York Times best seller Eric Flint's science fiction Jao Empire series. It has become clear to both the Jao and their human and LleiX partners that if they are going to defeat the Ekhat who have been terrorizing the galaxy for eons, they need more allies. To that end, Preceptor Ronz, guardian of Earth and greatest living strategist of the Jao, has harnessed the energy of Earth's humans to create and send out an exploration fleet under the command of Caitlin Kralik. But after a long search, all the expedition has found are dead worlds and now-extinct intelligent species slaughtered by the genocidal Ekhat. Do they continue to search down the galactic arm in which Earth and the Jao worlds lie, or do they make an astounding leap in another direction? With friends like Gabe Tully, Tamt, Wrot and Caewithe Miller supporting her, Caitlin makes her decision. Meanwhile, the Ekhat, as murderous and destructive as they have always been, have a new generation of leaders growing into power who are even more implacable than those who have gone before them. The Ekhat have not forgotten the Jao, nor the damage they have done over the years to the Ekhat purpose. It's up to the Jao-human-LleiX confederation and the new allies they make to survive the onslaught and turn the tables on the Ekhat. At the publisher's request, this title is sold without DRM (Digital Rights Management). About Jao Empire series entry #2 The Course of Empire by Eric Flint & K.D. Swords of the Legion Harry Turtledove 2013-10-02 In Videssos the city, tribune Marcus Scaurus was bored. The legion that had been magically transported to this strange world was far away. But the Emperor's niece Alypia was near - and willing. When their secret trysts were betrayed, Emperor Thorisin Gavras was forced to condemn Marcus as a traitor - but with a promise of freedom and Alypia, if he could reclaim a rebel province from a fanatic usurper, with no military aid. With only centurion Gaius Philippus, Marcus set out to try the seemingly impossible task. But the fates conspired against them, driving them further westward, into the innermost sanctum of Videssos' great enemy Yezd - and toward the torture chambers of the evil, deathless wizard-prince Avshar. But behind them, without orders, the men of the legion were on the march!

Krispos Rising Harry Turtledove 2012-06-11 Videssos was beset by enemies abroad and had fallen into decadence at home. But on his first night in the imperial capital, The Empires health mattered less to Krispos than finding a dry place to sleep.

Darkness Descending Harry Turtledove 2007-04-01 Now Turtledove returns to the story of a World War in a world where magic works, with this moving second volume. Algarvian soldiers corral Kaunians to send them west, towards Unkerlant, to work camps. The Kaunians left behind are worried about what the work camps might mean, but are assuaged by Algarvian lies. In Kuusamo, scholars race to find the relation between the laws of similarity and contagion. Rumors abound about the Algarvian work camps, rumors most cannot believe as true. But the mages know, for they can feel the loss of life in their very souls. Turtledove's cast of characters in Darkness Descending takes on its own life as the reader sees the war from all sides and understands how the death and destruction benefits no one, not even the victors. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Enchanter Completed Harry Turtledove 2005-05-01 TODAY'S TOP WRITERS PAY TRIBUTE TO A MASTER For seven decades, L. Sprague de Camp was a giant in both science fiction and fantasy, renowned for his fast-moving action-adventure tales filled with genial humorous touches and backed up with a profound knowledge of history and science. He was also renowned for his popular (and meticulously researched) novels of historical fiction, and his authoritative non-fiction books in many fields. Now, Hugo Award-winner and best-selling author Harry Turtledove has gathered together today's top writers and invited them to write stories in the same humorous adventure vein which de Camp practically invented. On board are Poul Anderson, Frederik Pohl, David Drake, Judith Tarr, Esther M. Friesner, Lawrence Watt-Evans, S.M. Stirling, Michael F. Flynn, Harry Turtledove himself, and more, including a personal remembrance of de Camp by Robert Silverberg. The result is a volume worthy of the Grand Master himself, and certain to enchant the reader%completely. At the publisher's request, this title is sold without DRM (Digital Rights Management). The Masters Praise a Fellow Master: "Consistently humorous . . . he fills his stage with such authentic detail that empathy is built and never broken." %Robert A. Heinlein "[De Camp is the epitome of science fiction in all possible ways." %Isaac Asimov "He was an extraordinary writer, a pillar of our field . . . de Camp was one of the shapers of modern science fiction . . . [and] a superb storyteller." %Robert Silverberg

Exiled: Clan of the Claw S. M. Stirling 2011-08-01 First entry in a new series with three big all new linked novellas from multiple best-sellers S.M. Stirling, John Ringo & Jody Lynn Nye, and Harry Turtledove! After the extinction asteroid DOESN'T strike Earth, the dinosaurs keep evolving%but so do the mammals. We mammals have achieved human-like shapes, but now it's cold-blooded, magic-using reptiles against the hot-blooded, hot-tempered descendants of cats. In a heroic, bronze-age world similar to 300, the Mrem Clan of the Claw and its sister warbands are expanding their rough-and-tumble territory, but now they face the Lishkash, masters of a cold-blooded empire of slave armies and magic. It's mammalian courage and adaptation against reptile cunning in a clash of steel and will that will determine which line shall inherit the Earth. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Sentry Peak Harry Turtledove 2013-08-29 When Avram became King of Detina, he intended to liberate the blonde serfs from their ties to the land. The northern provinces, who would not accept his lordship, seceded from Detina, choosing Avram's cousin, Grand Duke Geoffrey, as their king in his place. Avram refused to let Geoffrey rule the north and sent armies clad in grey against them. Geoffrey raised his own army, and arrayed his men in blue. Avram held the larger part of the kingdom, and the wealthier part, too. But Geoffrey's men were bolder soldiers. And the north, taken all in all, had better wizards than the southrons did. The war raged for almost three years, until Avram's General Guildenstern moved against the northern army under Count Thraxton the Braggart and his commander of unicorn-riders, Ned of the Forest, which held the town of Rising Rock, close by Sentry Peak. Both sides knew this was a crucial battle in the desperate war, but neither guessed just how crucial it would be...

King of the North Harry Turtledove 2011-09-29 A sequel to "Werenight" and "Prince of the North". Just when he thought he could settle down to enjoy peace, Gerin the Fox is called upon to face a new enemy, the Gradi, who bring with them their cold, fierce gods, bent on the

destruction of all who do not worship them.

The Disunited States of America Harry Turtledove 2013-10-02 Justin's having the worst trip ever. He and his mother are Time Traders, traveling undercover to different alternate realities of Earth so they can take valuable resources back to their own timeline. In some of these worlds, Germany won World War I or the world has been destroyed by nuclear warfare. Justin and his mother are in an America that never became the United States: each state is like a country, and many of them are at war with one another. Their mission takes them to Virginia, which is on the verge of bloody violence with Ohio. Beckie is from California and, like the rest of her world, is unaware that Time Traders exist. The only reason she's in small-town Virginia is because her grandmother dragged her there to visit old relatives. Beckie is just as horrified by the violence and racism of the alternate Virginia as Justin is, and the two are drawn to each other. But when full-fledged war breaks out between Ohio and Virginia, including a biologically designed plague, will either of them manage to get back home? Forget about home: will they make it out alive?

Beyond the Gap Harry Turtledove 2013-08-29 Count Hamnet Thyssen is a minor noble of the drowsy old Raumsdalian Empire. Its capital city, Nidaros, began as a mammoth hunters' camp at the edge of the great Glacier. But that was centuries ago, and as everyone knows, it's the nature of the great Glacier to withdraw a few feet every year. Today Nidaros is an old and many-spired city; and though they still feel the breath of the great Glacier in every winter's winds, the ice cap itself has retreated beyond the horizon. Trasamund, a clan chief of the mammoth-herding Bizogots, the next tribe north, has come to town with strange news. A narrow gap has opened in what they'd always thought was an endless and impregnable wall of ice. The great Glacier does not go on forever - and on its other side are new lands, new animals, and possibly new people. Ancient legend says that on the other side is the Golden Shrine, put there by the gods to guard the people of their world. Now, perhaps, the road to the legendary Golden Shrine is open. Who could resist the urge to go see? Not Hamnet Thyssen or Trasamund. Not Ulric Skakki, Hamnet's old comrade in arms: a good man to have at your side, although perhaps not at your back. And not, damnably, Eyvind Torfinn - a scholar, a very knowledgeable man but, alas, the husband of Hamnet's former wife, Gudrid: a troublemaker if there ever was one. She's decided to come along, too. For every one of them, the Glacier has always been the boundary of the world. Now they'll be traveling beyond it into a world that's bigger than anyone knew. Adventures will surely be had...

Out of the Darkness Harry Turtledove 2013-07-25 As the Derlavaian War rages into its last and greatest battles, allied nations manoeuvre for positions against each other in a postwar world. But before that time can come, the forces of Algarve, Unkerlant and their allies must clash a final time, countering army with army and battle magic with ever-more-powerful battle magic. In the midst of it all, the people the war has battered and reshaped must struggle to face their greatest individual challenges, as loves are shattered and found, terrible crimes avenged...and some journeys end forever. And the end of the war may not bring peace...

Once There Was a Way Bryce Zabel 2017-12-05 From the award-winning author of *Surrounded by Enemies*, an alternative history novel that asks, What if the Beatles stayed together? We all know the tragic story by now. After seven years as the most popular rock-and-roll group the world has ever seen, the Beatles—torn apart by personal and creative differences—called it quits in 1970, never to play together again. The fact that their contemporaries like the Rolling Stones are still playing today makes their ending even more painful. *Once There Was a Way*: What if The Beatles Stayed Together? is a story of another reality, the one we wished had happened, where the Fab Four chose to work it out rather than let it be. This book is no mere fairy tale, but a chronicle crafted from the people and events of our own history, shaped to create a brand new narrative in which John, Paul, George, and Ringo find a way to stay friends and keep the band together. Imagine there were more. Lots more. It's easy if you try. "We know the Beatles let it be, but what if they worked it out instead? This book gives life to every fan's fantasy. It's a great new adventure full of twists and turns that never were, but might have been."—Chris Carter, host, *Breakfast with the Beatles & Chris Carter's British Invasion* (Sirius/XM Radio) "Hold on to your hats, folks. You're in for quite a ride."—Harry Turtledove, alternative history author, *How Few Remain*, on *Surrounded by Enemies*

Videssos Cycle: Volume Two Harry Turtledove 2013-04-16 The classic fantasy series from "one of alternative-history's stalwarts" (The New Yorker) continues in the adventure of a lifetime. Harry Turtledove's brilliant re-imaginings of major world events have thrilled fans for decades, but he first captured readers' attention with the Videssos Cycle, a unique blend of fantasy and speculative history. In this two-book volume, a Roman legion, thrown into another world, fights its way through sorcery, intrigue, and epic conflict. THE LEGION OF VIDESSOS Since the legion was mysteriously transported to this magical realm, Roman military tribune Marcus Aemilius Scaurus has valiantly served the rulers of the war-torn city of Videssos. However, Fortune is a fickle goddess. Returning in triumph after defeating a well-entrenched army of rebel mercenaries, Marcus is betrayed by a friend, seized as a traitor, and dragged before the Emperor. Only one person may be able to save him: the Emperor's niece. But consorting with her could lead to exile . . . or worse. SWORDS OF THE LEGION As prisoner of the Emperor, Marcus Scaurus is in a desperate situation. He stands condemned for treason, unless he can reclaim a rebel province from a fanatic usurper—without the aid of his Romans. Now, with just one centurion by his side, Marcus sets out to once again do the impossible. Soon the fates conspire against the men, driving them toward the torture chambers of an evil, deathless wizard-prince. But an audacious last hope rallies behind them—the soldiers of the legion are on the march.

Into the Darkness Harry Turtledove 1999 In this launch of a major new fantasy series, one of the most popular authors in the category weaves a tale of magic, dragons, and a world at war.

The Atlantropa Articles Cody Franklin 2018-10-15 In this novel by the creator of Alternate History Hub, WWII never happened, all of Europe hails Hitler, and the Mediterranean Sea is a desert. Instead of attempting to take over the world, Adolf Hitler and his Nazi party orchestrate an entirely different, yet equally ambitious plan: draining the Mediterranean Sea. With the promise of fertile new land for settlement, millions of jobs and endless hydroelectric energy, all of Europe signs a treaty called The Atlantropa Articles to bring about this new world. With Hitler hailed as a new Napoleon, fascism becomes a mainstream ideology. Two millennia later, Europe has been united under the swastika. But the plan of a lush new land was never realized. Instead, the Mediterranean Sea has become a desert basin known only as the Kiln, and southern Europe has been abandoned. This is where Ansel Engel's story begins. Deep in the Kiln, Ansel faithfully serves the Reich—until a shocking discovery leads him to unravel generations of lies and false prophets.

In High Places Harry Turtledove 2013-02-25 In the twenty-first-century Kingdom of Versailles, the roads are terrible and Paris is a dirty little town. Serfdom and slavery are both common, and no one thinks that's wrong. Why should they? Most people spend their lives doing backbreaking farm work anyway. But teenaged Khadija, daughter of a prosperous family of Moorish business travellers, is unfazed. That's because Khadija is really Annette Klein from twenty-first-century California. Now it's time for Annette and her family to return to California for the start of another school year, so they begin a journey to the hidden crosstime portal in Marseilles. As they cross the Pyrenees, bandits attack. When Annette/Khadija comes to, she's a captive in a caravan of slaves being taken to the markets in the south. Worse, her purchasers take her to an unofficial crosstime portal, a thing hitherto unknown . . . leaving open the question of whether Crosstime Traffic will ever be able to recover her!

Agent of Byzantium Harry Turtledove 2013-06-24 In a Moslem-free universe where Constantinople never fell, the Byzantine Empire has not only survived but flourished, developing technology at an earlier date than in our universe. And spreading its power and influence throughout the world. But Byzantium has enemies who are jealous of its glory and would like nothing better than to bring it down and loot its treasures. Basil Argyros, Byzantium's top agent, as his hands full, thwarting un-Byzantine plots and making the world safe for the Byzantine Empire.

Into the Darkness Harry Turtledove 2013-11-28 The death of a duke leads to a bloody war, as the King of Algarve moves swiftly to reclaim the duchy which was lost during a previous conflict. But country after country is pulled into war, as alliances reassert themselves and a hatred of difference escalates into rabid nationalism.

Hitler's War (The War That Came Early, Book One) Harry Turtledove 2010-06-22 A stroke of the pen and history is changed. In 1938, British prime minister Neville Chamberlain, determined to avoid war, signed the Munich Accord, ceding part of Czechoslovakia to Hitler. But the following spring, Hitler snatched the rest of that country, and England, after a fatal act of appeasement, was fighting a war for which it was not prepared. Now, in this thrilling alternate history, another scenario is played out: What if Chamberlain had not signed the accord? In this action-packed chronicle of the war that might have been, Harry Turtledove uses dozens of points of view to tell the story: from American marines serving in Japanese-occupied China and ragtag volunteers fighting in the Abraham Lincoln Battalion in Spain to an American woman desperately trying to escape Nazi-occupied territory—and witnessing the war from within the belly of the beast. A tale of powerful leaders and ordinary people, at once brilliantly imaginative and hugely entertaining, Hitler's War captures the beginning of a very different World War II—with a very different fate for our world today.

Rulers of the Darkness Harry Turtledove 2014-06-30 In his previous 'Darkness' books - Into the Darkness, Darkness Descending, and Through the Darkness - bestselling author Harry Turtledove has been telling an epic tale of a world at war; a dark mirror of the terrible wars of our own twentieth century, set in a world where battles are fought with magic rather than technology. Imagine the drama and terror of the Second World War in such a place. The death, the destruction, the sheer scale of the horror is the same - but the bullets are beams of eldritch fire, the tanks are great horned and taloned beasts, and fighters and bombers are dragons raining fire upon their targets. This is the world of the Derlavaian continent, a world that is slowly but surely being conquered, mile after bloody mile, by the forces of the Algarvian Empire... forces whose most terrible battle magics are powered by the slaughter of innocent people. In this, the forth volume of the series, following on from Through the Darkness, the war for the future of Derlavai builds towards its crescendo as the mages of Kuusamo, aided by their former rivals from Lagoas, work desperately to create a newer form of magic. Magic of unprecedented destructive power. Magic that will change the course of the future.

Opening Atlantis Harry Turtledove 2013-04-29 Atlantis lies between Europe and the east coast of Terranova. For many years, this land of opportunity has lured dreamers from around the globe with its natural resources, offering a new beginning for those willing to brave the wonders of the unexplored territory. It is a new world indeed, ripe for discovery, for plunder, and eventually for colonisation. But will its settlers destroy the very wonders the journeyed to Atlantis to find?

The Legion of Videssos Harry Turtledove 2013-08-29 Since the Roman legion had been mysteriously transported to a world of magic, tribune Marcus Scaurus had served the rulers of war-torn Videssos well. He had ousted the Pretender and put Thorisin Gavras on the throne. That made him a hero. But in Rome or Videssos, Fortune was a fickle goddess. Now he and the legion were returning in triumph to the city of Videssos after defeating a powerful army of rebel mercenaries. But Marcus, betrayed by the one closest to him, was seized, dragged before the Emperor and questioned under the truth drug like a traitor. In court, only Alypia Gavra stuck by him - but consorting with the Emperor's niece was dangerous. It could lead to exile - or death! Yet Alypia was beautiful. And Marcus was lonely...

Rulers of the Darkness Harry Turtledove 2002-03-20 The war for the continent of Derlavi reaches its climax as the mages of Kuusamo and Lagoas race against time to come up with a new magic to stop the Algarve invaders.

Eruption Harry Turtledove 2013-08-29 Yellowstone National Park sits on a hot spot: a plume of molten rock coming up from deep inside the earth capable of volcanic eruptions far greater than any that have occurred in times past. It has been silent for many years, providing false security for a nation unprepared for the full force and fury of nature unleashed. Then explosions send lava and mud flowing far beyond Yellowstone toward populated areas. Clouds of ash drift across the country, nearly blanketing the land from coast to coast. The fall-out destroys crops and livestock, clogs machinery, and makes cities uninhabitable. Those who survive find themselves facing the dawn of a new ice age as temperatures plummet worldwide. Colin Ferguson is a police lieutenant in a suburb of Los Angeles, where snow is falling for the first time in decades. He fears for his family, who are spread across America, refugees caught in an apocalyptic catastrophe in which humanity has no choice but to rise from the ashes and re-create the world...

Darkness Descending Harry Turtledove 2012-05-31 In this sequel to the bestselling INTO THE DARKNESS, the country of Algarve is successful in its blitzkrieg tactics, but becomes bogged down in the desolate winter of Unkerlant, its main enemy. Algarve's king decides to undertake blood magic, which amounts to genocide, in order to break the deadlock; when it is seen to work, its use elsewhere cannot be long coming. On a small island, a theoretical sorcerer may hold the only answer to this horror . . . Harry Turtledove has taken events similar to those from Earth's wars and transplanted them to a wonderfully imagined fantasy world.

Between the Rivers Harry Turtledove 2013-04-23 Young Sharur is the scion of a merchant family in the city o Gibil, loyal - he thinks - to his city's god, Engibil, and to that god's human deputies. But like his fellows in Gibil, Sharur is less interested in gods than in invention and trade. Then, on a routine trading expedition, he learns that the gods of the other cities, resentful of Engibil's relaxed attitude toward his people, are uniting to punish Gibil and squelch the growing power of human creativity, epitomised by the city-state's easygoing ways. Now only Sharur's wits can save the city from the aroused divinities...and he's going to need all the inventiveness he can muster.

In the Presence of Mine Enemies Harry Turtledove 2013-08-29 Heinrich Gimpel is a respected officer with the Oberkommando Wehrmachts office in Berlin. His wife is a common hausfrau, raising his three precious daughters the same way he was raised - to be loyal, unquestioning citizens of the Third Reich, obedient to the will of the Führer. But Heinrich Gimpel has a secret. He is not, in fact, a member of the Master Race. He has been living a lie to protect his true identity as a Jew - and he's not alone. Throughout Berlin, Jews survive in secrecy...doing their

jobs, caring for their families, maintaining the facade of perfect Aryans, and praying they will not be discovered. But a change is coming. And soon they will be forced to choose between safety and freedom...

The Gladiator Harry Turtledove 2013-04-23 The Soviet Union won the Cold War. The Russians were a little smarter than they were in our own world, and the United States was a little dumber and a lot less resolute. Now, more than a century later, the world's gone Communist, and capitalism is a bad word. For Gianfranco and his friend Annarita, a couple of teenagers growing up in Milan, life in a heavily regimented, surveillance-rich command economy is just plain dreary. The eventual withering-away of the state doesn't look like it's going to happen anytime soon. Annarita's a hard-working student and a member of the Young Socialists' League. Gianfranco is a lot less motivated--but on the other hand, his father's a Party apparatchik. The biggest excitement in their lives is a wargame shop called The Gladiator, which runs tournaments, and stocks marvelous complex games you can't find anywhere else. Then, abruptly, the shop is shut down. Someone's figured out that The Gladiator's games are teaching counterrevolutionary capitalist principles. The Security Police are searching high and low for the shop's proprietors, who've not only vanished into thin air, but have left behind sets of fingerprints that aren't in the records of any government on earth. Only one staffer is left: Gianfranco and Annarita's friend Eduardo. He's on the run, and he comes to them in secret with an astonishing story: he's a time trader from our own timeline, accidentally left behind when the store was evacuated. The only way Eduardo can get home to his own timeline is if Gianfranco and Annarita can help him reach one of the other time trader sites in this world - and the Security Police will be on their tails all the way there...

Advance and Retreat Harry Turtledove 2013-04-29 The North shall rise again! When Avram became King of Detina, he announced his plan to liberate the blond serfs - and immediately plunged the kingdom into a long and bloody civil war, setting brother against brother. The northern provinces, dependent on the labour of their serfs, seceded, choosing Avram's cousin, Grand Duke Geoffrey, as their king. To save the kingdom, Avram sent armies clad in grey against the north, battling Geoffrey's army, arrayed in blue. Though King Avram held more land and wealth than Geoffrey, Geoffrey's men were better soldiers and the north had more powerful wizards. Still, as the war raged on, the greater population and the superior organisation of the South began to tell and the tide turned against the north. Even so, the war is far from over. The armies of the south must now battle the north on its own ground - ground which will prove treacherous and deadly...

The Guns of the South Harry Turtledove 2011-04-20 "It is absolutely unique--without question the most fascinating Civil War novel I have ever read." Professor James M. McPherson Pulitzer Prize-winning BATTLE CRY OF FREEDOM January 1864--General Robert E. Lee faces defeat. The Army of Northern Virginia is ragged and ill-equipped. Gettysburg has broken the back of the Confederacy and decimated its manpower. Then, Andries Rhodie, a strange man with an unplaceable accent, approaches Lee with an extraordinary offer. Rhodie demonstrates an amazing rifle: Its rate of fire is incredible, its lethal efficiency breathtaking--and Rhodie guarantees unlimited quantities to the Confederates. The name of the weapon is the AK-47.... Selected by the Science Fiction Book Club A Main Selection of the Military Book Club

The Man with the Iron Heart Harry Turtledove 2008-07-22 What if V-E Day didn't end World War II in Europe? What if, instead, the Allies had to face a potent, even fanatical, postwar Nazi resistance? Such a movement, based in the fabled Alpine Redoubt, was in fact a real threat, ultimately neutralized by Germany's flagging resources and squabbling officials. But had SS Obergruppenführer Reinhard Heydrich, the notorious Man with the Iron Heart, not been assassinated in 1942, fate might have taken a different turn. We might likely have seen a German guerrilla war launched against the conquerors, presaging by more than half a century the protracted conflict with an unrelenting enemy that now engulfs the United States and its allies in Iraq. How might today's clash of troops versus terrorists have played out in 1945? In this imagined world, Nazi forces resort to unconventional warfare, using the quick and dirty tactics of terrorism--booby traps, time bombs, mortar and rocket strikes in the night, assassinations, even kamikaze-style suicide attacks--to overturn what seemed to be a decisive Allied victory. In November 1945, a truck bomb blows up the Nuremberg Palace of Justice, where high-ranking Nazi officials are about to stand trial for war crimes. None of the accused are there when the bomb goes off, but their judges, all of them present and accounted for, are annihilated. Worse acts of terrorism follow all over Europe. Suddenly the Allies--especially the United States--must battle an invisible enemy and sacrifice countless lives in a long, seemingly pointless, unwinnable conflict. On the home front, patriotism corrodes, political fortunes are made and lost in the face of an antiwar backlash, and a once-proud country wonders how the righteous fight for freedom overseas has collapsed into a hopeless quagmire. At once a novel of thrilling military suspense, intriguing alternate history, and profound insight into contemporary affairs, *The Man with the Iron Heart* is a tour de force by a storyteller of exceptional imaginative power.
