Question and Answer Jozef Rulof 2014-12-06 Question and Answer Part 3 In the period 1949-1952 during contact evenings in the 'Know Thyself' building in De Ruyterstraat in The Hague, Jozef Rulof answered questions from the public. Many of the questions were about the content of the books which had already been published. Other questions were about the themes and questions of life and death occupying the public. The questions and answers were first recorded in writing and worked out by Mrs C. Bruning, who was appointed by Jozef Rulof for this purpose. Jozef Rulof altered and added to the records until he was satisfied that they were a well-considered entirety, which you will find in part 1 of Question and Answer. Later the contact evenings were recorded by wire recorder (the forerunner of the tape recorder). The text from these sound recordings was recently typed out. In order to give the reader as complete a copy as possible of the original spoken text, parts 2, 3 and 4 of Question and Answer will contain the text literally spoken by Jozef Rulof. The editors are aware of the fact that these books do not contain fluent texts in good Dutch. The main purpose of these books is therefore to provide already advanced readers with study material to further enrich their spiritual knowledge and insight. Parts 5 and 6 of Question and Answer will contain the answers which Master Zelanus gave to the public during the contact evenings in the Sarphatistraat in Amsterdam. These parts also contain the literal spoken text. Some of these questions also concerned the lectures which Master Zelanus gave during the same period in the 'Diligentia' building in The Hague, and they will be recorded in the three parts of the 'Lectures'. During these evenings the speakers constantly repeated that the answers were intended for people who had read all the previously published books.

The Question Period, Its Influence on the New Towns Act and the Town and Country Planning Act, 1946-53 Elizabeth Ann Fell 1958

The Penal Crisis and the Clapham Omnibus David J. Cornwell 2009 Designed for a wide readership, this book looks at the problems that have led to the penal crisis in the UK. It argues that informed media and public opinion - including much chatter on the Clapham omnibus - has finally 'turned the corner' and that the time is ripe for a concerted pragmatic U-turn in criminal justice policy-making based increasingly on well understood restorative justice principles. The Penal Crisis and the Clapham Omnibus poses questions and tries to give straightforward answers to matters that commonly arise in discussions about restorative justice and argues that the idea of resistance from the public to more enlightened approaches to 'doing justice' is misplaced.
