Delilah knows what she wants, but Christian's too shy to make the first move. One bad date after another, and she finally decides to make a move. Until she sees an old friend whispering in his ear, and her hope comes crashing down. Will fate push them together? Falling into Place Sometimes it all has to fall apart to fall into place. Liz never had it easy. She is a mage unlike any other. She finally had everything until someone shattered it all. The man she always trusted swept in to put her back together. When an old nightmare comes back for her, her first love will come back to stand at her side. Together Tremaine and Robert will help Liz find her place. Breaking Free They say dreams can come true. As a Dreamwalker Devlin has yet to believe it. Until he finds his little werewolf in a dream. Jamie is impossible to resist. With his past coming for him, he's left with a hard decision. Will he stay? Or run to save them all? Mending Scars Some scars run deep. Preston wants one woman, and is ready to fight to make her see. Dacia's been hurt too many times before and has a hard time believing. Her father, Remus, wants her help, but she refuses. As the truth comes out, can Preston convince Dacia of what he feels? Or will Remus tear apart what's slowly building between the two? Can scars finally mend? Labor of Love Memories not her own made Darla run. Fear of the unknown kept her hiding. Without her, Tomahawk is incomplete. Someone knows what each is missing, and moves to put them back together. Will love seal their fate?

The Well of Loneliness Radclyffe Hall 2021-05-29 The Well of Loneliness, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall's own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England. The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.

We, the Wildflowers L. B. Simmons 2020 Four unruly teens living together in a home for troubled youth find connection and strength, like that of wildflowers, as they face their harrowing pasts and new tragedies.

Running on Empty L. B. Simmons 2013-01-10 I had the perfect life. Beautiful and loving husband. Three gorgeous little girls. Successful career. The only thing missing was the white picket fence. I really wanted that fence. Three years ago, I lost that life. I lost my husband. And I lost myself. But, eventually, I found my way through the darkness. I've made peace with my new life. I have my girls, and that's all that matters. They are my world. I have no illusions of ever falling in love again or getting whisked away on a white horse. But then he came back into my life. On a freakin' motorcycle. There's no way I'll let him turn my life completely upside down. Absolutely no way. The question is... How long can I keep pretending that I'm happy with my life being right-side up?

Hiroshima John Hersey 2019-06-05 On August 6, 1945, Hiroshima was destroyed by the first atom bomb ever dropped on a city. This book, John Hersey's journalistic masterpiece, tells what happened on that day. Told through the memories of survivors, this timeless, powerful and compassionate document has become a classic "that stirs the conscience of humanity" (The New York Times). Almost four decades after the original publication of this celebrated book, John Hersey went back to Hiroshima in search of the people whose stories he had told. His account of what he discovered about them is now the eloquent and moving final chapter of Hiroshima.

How to Do Things with Words John Langshaw Austin 1975 This work sets out Austin's conclusions in the field to which he directed his main efforts for at least the last ten years of his life.

Starting from an exhaustive examination of his already well-known distinction between performative utterances and statements, Austin here finally abandons that distinction, replacing it with a more general theory of 'illocutionary forces' of utterances which has important bearings on a wide variety of philosophical problems.

The Psychic Life of Power Judith Butler 1997 Judith Butler's new book considers the way in which psychic life is generated by the social operation of power, and how that social operation of power is concealed and fortified by the psyche that it produces. It combines social theory, philosophy, and psychoanalysis in novel ways, and offers a more sustained analysis of the theory of subject formation implicit in her previous books.
