Woman of the Earth A. J. Cronin 2017-02-18 No wonder the Scotch countryside was interested in the schoolmaster's pretty, new assistant. Twenty years before, her mother had left the place under a cloud. Is it true, the old saying, "Like father, like son"? Then must it also be true, they asked, Like mother, like daughter? Originally published as a complete novella in Cosmopolitan magazine (November 1933), WOMAN OF THE EARTH is A. J.

Cronin's poignant story of Davie, a lame-footed schoolmaster; Jess, his vibrant young assistant, whose unwed mother fled in disgrace from their very town a generation earlier; farmer Rob, his hale and hearty brother; and Ailie, Rob's wife and a "woman of the earth."

The Stars Look Down AJ Cronin 2015-04-15 This thought-provoking novel of the challenges a coal mining community faces in the early twentieth century is "the finest work Cronin has given his public." (Kirkus Reviews) First published in 1935, *The Stars Look Down* tells the story of a North Country mining town as its inhabitants make their way through social and political upheaval. Digging into workers' rights, social change, and the relationship between labor and capitalism, the struggles of the novel's trifecta of protagonists—politically minded miner David Fenwick, ambitious drifter Joe Gowlan, and frustrated yet meek mining-baron's son Arthur Barras—remain compelling and relevant to readers in the twenty-first century. A.J. Cronin's tale is one of many of the hardships of coal-mining communities during the industrial pre-war, World War I, and interwar periods in Britain, but stands out for its unflinching prose, universal themes, and keen storytelling. The novel was adapted into a 1940 film starring Michael Redgrave as Davey Fenwick, is a New York Times

Critics' Pick, and is included in The New York Times Guide to the Best 1,000 Movies Ever Made.

Adventures of a Black Bag A. J. Cronin 2013-08-15 The famous Dr Finlay stories Adventures of a Black Bag represents a selection of A J Cronin's best stories – stories which are tragic, funny and wry, each revolving around two doctors whose tremendously popular TV and radio series have made them household names: Dr Cameron and Dr Finlay. These stories have that universal appeal which has become A J Cronin's trademark, established by bestsellers such as Hatter's Castle, The Stars Look Down and The Citadel.

Shannon's Way A J Cronin 2016-02-01 Robert Shannon was a devoted

scientist on the brink of a medical discovery of great importance. He had no time or inclination for women . . . or for any of the world outside his laboratory. But Jean Law had other plans for him. Strictly brought up by narrow-minded parents, confined by her hospital lectures and her dingy boarding-house, she hardly knew the fires that burned beneath her calm exterior . . . except that they burned for Robert Shannon. She knew she had to have him for herself, and, despite her family's religious beliefs , their shocked disapproval, and all she had been taught was her destiny, she was determined to fight for him. In the magnificent narrative tradition of *The Citadel*, *The Stars Look Down* and Cronin's other classic novels, *Shannon's Way* is a great book by a much-loved author.

*Mariette in Ecstasy* Ron Hansen 2009-10-27 The highly acclaimed and provocatively rendered story of a young postulant's claim to divine possession and religious ecstasy.

*The Stars Look Down* A. J. Cronin 2013-03-14 *The Stars Look Down* was A.J. Cronin's fourth novel, published in 1935, and this tale of a North country mining family was a great favourite with his readers. Robert Fenwick is a miner, and so are his three sons. His wife is proud that all her four men go

down the mines. But David, the youngest, is determined that somehow he will educate himself and work to ameliorate the lives of his comrades who ruin their health to dig the nation's coal. It is, perhaps, a typical tale of the era in which it was written – there were many novels about coal mining, but Cronin, a doctor turned author, had a gift for storytelling, and in his time wrote several very popular and successful novels. In the magnificent narrative tradition of *The Citadel*, *Hatter's Castle* and Cronin's other novels, *The Stars Look Down* is deservedly remembered as a classic of its age.

*Three Loves* Archibald Joseph Cronin 1932 The story of an ambitious woman in Scotland at the end of the nineteenth century, who can only realise her ambitions through the men in her life. Her third love is for God; she becomes a nun, but finds the constrictions of convent life difficult to bear.

The Innkeeper's Wife A. J. Cronin 2013-08-15 A J Cronin was commissioned by *The American Weekly* to write a Christmas story for the December 21st issue in 1958. His vision for the story is described in his letter of acceptance: "It came to me very strongly that to achieve the highest and most profoundly touching results I should go back to the first Christmas of all and create a vivid

reconstruction of the effects of the birth of the Child upon certain characters, notably the wife of the innkeeper where no room was found for Mary and Joseph. The title of the story would be *The Innkeeper's Wife*, for she, as I imagine her, is the central human character—a good and tender-hearted woman, childless herself, and bullied by an assertive and miserly husband.” Here now is the alternative story of Christmas, narrated with great skill, by the author of *The Citadel*, *Hatter's Castle* and *The Stars Look Down*  
Love Crafted Ravens Dagger 2021-01-08 To Enter Five Peaks Magical Academy you must have a familiar. Abigail hoped for a bird, maybe an owl like her best friend's, or a cuddly cat or loyal hound. She would have been happy with a particularly smart toad, even. Instead she got you.

*The Keys of the Kingdom* A.J. Cronin 2015-04-15 A.J. Cronin's inspiring novel of a controversial Scottish priest on a mission in China, where he learns the true meaning of humanity—and of faith. Francis Chisholm—a kindhearted and straightforward Scottish priest—walks a path all his own, making him

unpopular with other members of the clergy. Ostracized by the clerical community and looked down on by his superiors, Chisholm takes a position in China where he supervises a mission beset by poverty, civil war, and plague. He encounters fierce resistance from the local Chinese who distrust his motives, especially as they do not understand or condone his faith. Despite enormous obstacles and temptations, Father Chisholm continues to live in accordance with what he holds as the ultimate truth—serving humanity is the one true religion of the world. The Keys of the Kingdom was adapted into the 1944 film starring Gregory Peck as Fr. Francis Chisholm, a role for which he earned his first Best Actor Oscar nomination. Hailed as “a magnificent story of the great adventure of individual goodness” by The New York Times Book Review and “full of life and people and color” by Harper’s, The Keys of the Kingdom is considered by many to be A.J. Cronin’s finest work.

Gracie Lindsay A. J. Cronin 2013-03-14 Gracie Lindsay’s return to Levenford arouses mixed feelings: to her uncle Daniel she is the daughter he never had; to David Murray she is the woman he still loves though he is now engaged to another; and to the townspeople she is the girl who seven years earlier left Levenford pregnant and in disgrace. Now at 25 Gracie is more lovely than ever

and just as careless of propriety as before . . . This is the poignant and moving story of Gracie's struggle to win self-respect and the regard of the town. Adventures in Two Worlds A. J. Cronin 2013-08-15 Adventures in Two Worlds – an autobiographical novel by A J Cronin, creator of television's Dr Finlay and author of The Citadel and many other bestsellers. A master storyteller, A J Cronin presents possibly his most fascinating tale. Taking material directly from his own life, he tells of the early struggles of a poor medical student in Scotland, the cruel crushing of all hopes of becoming a surgeon, the years as a ship's doctor and, later, life in the country practice that was the real

Tannochbrae. There are many strange twists and turns – not the least of them the dramatic move from the world of medicine into that of literature when a novel ‘written despairingly on twopenny exercise books, thrown out and rescued from the rubbish heap’ was accepted by a publisher. And with Hatter’s Castle a new career was born.
